CHRISTIAN ACADEMY OF CARROLLTON
PARENT AND STUDENT HANDBOOK FOR 2023-2024

I. INTRODUCTION

Welcome to the CHRISTIAN ACADEMY OF CARROLLTON! We trust your association with our school will be an enjoyable and profitable experience. This handbook describes the school's program and policies. It is essential that parents and students understand and cooperate with the stated responsibilities. PLEASE READ THE ENTIRE HANDBOOK AND KEEP IT FOR REFERENCE THROUGHOUT THE SCHOOL YEAR. Also use it to promote the school to people who are interested in the Christian Academy of Carrollton (CAC) for their children.

A. MISSION STATEMENT

The mission of the Christian Academy of Carrollton is to provide a biblically based, Christ-centered learning environment, which promotes spiritual maturity, academic excellence, and personal growth, ministering to the whole child.

B. STATEMENT OF FAITH

All scripture is self-attesting, and, being truth, requires our unreserved submission in all areas of life to the authority of the infallible Word of God, as written in the sixty-six books of the Old and New Testaments—unified witness to God's redemptive acts culminating in the incarnation of the Living Word, The Lord Jesus Christ. The Bible, uniquely and fully inspired by the Holy Spirit, is the supreme and final authority in all matters on which it speaks. On this foundation we affirm the following as essentials of our faith:

1. We believe in one God, the sovereign Creator and Sustainer of all things, infinitely perfect and eternally existing in three persons: Father, Son, and Holy Spirit.
2. Jesus Christ, the Living Word, became flesh through His miraculous conception by the Holy Spirit and His virgin birth. He who is true God became true man united in one Person forever. He died on the cross, a sacrifice for our sins, according to the Scriptures. On the third day He arose bodily from the dead. He ascended into heaven, where, at the right hand of the Majesty on High, He now is our High Priest and Mediator.
3. The Holy Spirit has come to glorify Christ and to apply the saving work of Christ to our hearts. He convicts of sin and draws us to the Savior. Indwelling our hearts, He gives new life to us, empowers, and imparts gifts to us for service, and seals us for the day of redemption.
4. Being estranged from God, and condemned by our sinfulness, our salvation is wholly dependent upon the work of God's free grace. God credits His righteousness to those who put their faith in Christ alone for their salvation, and thereby justifies them in His sight. Only such as are born of the Holy Spirit and receive Jesus Christ become children of God and heirs to eternal life.
5. The true Church is composed of all persons who through saving faith in Jesus Christ and the sanctifying work of the Holy Spirit are united together in the body of Christ.
6. Jesus Christ will come again to the earth personally, visibly, and bodily to judge the living and the dead and to consummate history and the eternal plan of God.
7. The Lord Jesus Christ commands all believers to proclaim the Gospel throughout the world and to make disciples of all nations, baptizing them and teaching them according to Matthew 28:19-20.

This statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Christian Academy of Carrollton's faith,

doctrine, practice, policy, and discipline, the board of directors is the final interpretive authority on the Bible's meaning and application.

C. PHILOSOPHY OF CHRISTIAN EDUCATION

The service of God deserves our best efforts, particularly in the training of children. Christian education at the Christian Academy of Carrollton has five basic goals:

1. To provide a biblically based education.
2. To assist parents in fulfilling their God-given responsibility for the training of their children.
3. To be an example of leadership for all students in the pursuit of their God-given purposes in life.
4. To achieve excellence in academics.
5. To train children in essential life skills.

First and foremost, God is the source of all knowledge. The finest education in the world is of little eternal value unless it is integrated with God's Word, the only source of eternal truth (John 16:13).

God gave the responsibility of raising children to the parents. His Word teaches us that we should instruct our children to give God preeminence in every aspect of their lives (Deuteronomy 6:5-6). Christian education should try to help equip parents for this task, not relieve them of this responsibility.

Each faculty member of the Christian Academy of Carrollton will also serve as an example for the student in matters of faith, character, and education.

D. CORE VALUES FOR STUDENTS

The Administration at CAC believes that the full potential of academic excellence can be accomplished only where faculty leadership is strong, discipline is firm but fair, and moral/spiritual values are emphasized within a loving, caring Christian atmosphere. It is our belief that students learn self-discipline through four aspects which reflect God's principles of human behavior:

- **ORDER** is the organization which provides a good environment for learning.
- **TRAINING** is the process of practicing what is right.
- **CORRECTION** is the discouragement of wrong behavior.
- **PRAISE** and **AFFIRMATION** are encouragement for students to persevere in their obedience.

The leaders of the Christian Academy of Carrollton desire to train students to manifest the following Biblical principles in their lives, both inside and outside the classroom. This process of education is defined in II Timothy 3:16-17. ***"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."***

The Core Values for students are here listed, supported by specific Scriptural references, and illustrated with examples of appropriate behaviors for students practicing such principles. Knowing that training in character is valuable for the lives of students, the school also recognizes that character development without conversion is ultimately fruitless, as Jesus said in John 3:3, ***"Except a man be born again, he cannot see the kingdom of God."*** So, the school leadership also cooperates with families and churches to teach the Word of God, which the Spirit of God will use in bringing a child to exercise personal faith in Jesus Christ. (Also see John 16:8.)

1. **Honesty:** Speaking and living truthfully, even when it is hard.
 - ***"Speak ye every man the truth to his neighbor..."*** Zechariah 8:16a
 - ***"Wherefore putting away lying, speak every man truth with his neighbor: for we are members one of another."*** Ephesians 4:25

- ***"Lying lips are abomination to the LORD: but they that deal truly are his delight."*** Proverbs 12:22
- ***"He that worketh deceit shall not dwell within my house: he that telleth lies shall not tarry in my sight."*** Psalm 101:7

The student demonstrates the characteristic of honesty in ways like these: speaking truthfully, not deceptively; answering honestly, even when it is hard; accepting responsibility for wrongs and speaking the truth in love.

2. **Order:** Keeping one's body, space, and heart clean.
 - ***"Let all things be done decently and in order."*** I Corinthians 14:40
 - ***"For though I be absent in the flesh, yet am I with you in the spirit, joying and beholding your order, and the steadfastness of your faith in Christ."*** Colossians 2:5

The student demonstrates orderliness in ways like these: walking quietly in a line when in the hallway and staying with the class; sitting in one's seat during instruction; following classroom procedures (lining up, turning in papers, etc.); using an "inside voice" in the building; keeping work areas neat and clean; striving to achieve excellence in completing work.

3. **Respect:** Showing care toward others through words and actions.
 - ***"...be obedient to them that are your masters according to the flesh, with fear and trembling, in singleness of your heart, as unto Christ;"*** Ephesians 6:5
 - ***"Whoso despiseth the word shall be destroyed: but he that feareth the commandment shall be rewarded."*** Proverbs 13:13
 - ***"Honour all men. Love the brotherhood. Fear God. Honour the king."*** I Peter 2:17

The student demonstrates respect in ways like these: listening when others are speaking; sitting with good posture and having one's feet on the floor; following directions; speaking with kindness; sharing; putting others first; following directions without talking back; accepting others for who they are; and showing cooperation.

4. **Joyfulness:** Showing others we trust God no matter what happens.
 - ***"The light of the eyes rejoiceth the heart..."*** Proverbs 15:30
 - ***"The Lord has done great things for us, and we are filled with joy."*** Psalm 126:3
 - ***"Rejoice evermore. Pray without ceasing. In everything give thanks: for this is the will of God in Christ Jesus concerning you."*** I Thessalonians 5:16-18

The student demonstrates joyfulness in ways like these: obeying without complaining; practicing courtesy by saying "Please," "Thank you," "Yes, sir," and so forth; forgiving others; resolving conflict; and encouraging other students.

5. **Obedience:** Trusting those that lead you by doing what they ask you to do.
 - ***"Poverty and shame shall be to him that refuseth instruction: but he that regardeth reproof shall be honoured."*** Proverbs 13:18
 - ***"Children, obey your parents in the Lord: for this is right."*** Ephesians 6:1
 - ***"Submit yourselves to every ordinance of man for the Lord's sake:"*** I Peter 2:13a
 - ***"As obedient children, not fashioning yourselves according to the former lusts in your ignorance:"*** I Peter 1:14

In behavior the student demonstrates obedience in ways like these: following teachers' instructions; obeying the first time; making eye contact with those who address you; and following the school and classroom rules.

6. **Responsibility:** Doing what is expected and rightfully required.

- ***“Brethren, let every man, wherein he is called, therein abide with God.”*** I Corinthians 7:24
- ***“Fear God and keep his commandments: for this is the whole duty of man.”*** Ecclesiastes 12:13

The student demonstrates obedience in ways like these: completing all assigned work; doing one’s own work; using time wisely; and turning in work on time.

7. **Self-control:** Being in charge of your actions by making the right choices.

- ***“He that hath no rule over his own spirit is like a city that is broken down, and without walls.”***
Proverbs 25:28
- ***“Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is to be brought unto you at the revelation of Jesus Christ;”*** I Peter 1:13
- ***“But let us, who are of the day, be sober, putting on the breastplate of faith and love;”*** I Thessalonians 5:8

The student demonstrates obedience in ways like these: using kind words; raising a hand when requesting to speak; waiting for your turn; listening to others without interrupting them; keeping your hands to yourself; working quietly and diligently.

E. MISSIONS

The Christian Academy of Carrollton encourages the students to develop a heart for service and support that attitude by participating in mission projects and ministering to others in their churches and community. Service to others is a major part of building character and promoting spiritual growth in young people. Students are encouraged to get involved in a community service project or mission project throughout the year. Students will be awarded the Presidential Volunteer Service Award after volunteering at least 50 (fifty) to 100 (one hundred) hours of service during a year assisting people and projects.

F. STATEMENT REGARDING CHRISTIAN MORALITY

The Christian Academy of Carrollton is open to anyone interested in securing a Christian education, from four-year-old kindergarten through twelfth grade, whom the school finds qualified for admission and who agrees (and whose parents agree) that he or she shall abide by CAC’s rules. It must always be understood that attendance at CAC is a privilege and not a right. This privilege must be forfeited by any student who does not conform to the school’s standards of conduct and/or who is unwilling to adjust to our environment.

All students must be convinced they want to attend the Christian Academy of Carrollton and agree to apply themselves honestly and wholeheartedly to ***“study to show (themselves) approved unto God”*** (2 Timothy 2:15). They also agree to be courteous and respectful to their peers, staff, faculty, and other daily associates.

Christian Academy of Carrollton’s biblical role is to work in conjunction with the home and church to mold students to be Christ-like. Of necessity, this involves the school’s understanding and beliefs of what qualities or characteristics exemplify a Christ-like life. The school reserves the right, within its sole discretion, to refuse admission to an applicant or to discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activity of the student is counter to or in opposition to the biblical lifestyle the school endorses. This includes, but is not necessarily limited to participation in, supporting, or condoning sexual immorality, homosexual activity, or bisexual activity; promoting such practices; or being unable to support the moral principles of the school (see Leviticus 20; Romans 1:21-32; 1 Corinthians 6:15- 20; and Ephesians 5:1-8).

Students and all persons participating with the Christian Academy of Carrollton will use the restroom and locker facilities pertaining to whether the individual is a genetic male or a genetic female.

II. ADMISSIONS AND FINANCES NON-DISCRIMINATION

The Christian Academy of Carrollton admits students of any race, color, national and ethnic origins to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color or national and ethnic origin in the administration of its educational policies, admissions policies, scholarship programs, athletic or any school-administered programs. Christian Academy of Carrollton reserves the right to select students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications including a willingness to cooperate with CAC's administration and to abide by its policies.

Additional specific policies and procedures dealing with the admission of students to the Christian Academy of Carrollton are included with the application and registration materials, available in the school office. All prospective students must take an entrance test to assure that they are being placed in an academic environment in which they are prepared to succeed.

D. TERMS FOR TUITION PAYMENT

Tuition is a yearly fee which may be broken into ten (10) equal installment payments to assist parents with a more manageable payment plan. Tuition may be paid in a lump sum, or in ten (10) equal monthly installments beginning August 1st and ending May 1st. A 10% late fee will be assessed to any account paid after the 10th of the month. Tuition payments two months past due will be assessed a \$20.00 late fee. Tuition payments three months past due will result in the student's immediate suspension. Any delinquent installment must be satisfied before credit will be given toward a current month's installment. A child may not be registered for a new year until all tuition from the preceding year is paid in full.

For children enrolled throughout the school year after August 1st, the first monthly installment is due upon registration. No child will be allowed to enter school without payment of the first monthly tuition installment. A full month's tuition payment is due for every month and any portion of any month during which a child is enrolled at CAC.

Tuition needs to be the exact amount owed. Otherwise, overages will be counted as a donation. CAC does not keep extra cash as change in the office. CAC's accountants do not allow the office to add small overage amounts to future fees. We apologize for any inconvenience this may cause.

E. WITHDRAWALS

If a child is not in attendance for the entire year, the monthly tuition installment which became due in the month the child is withdrawn shall be payable in full. No discount or refund will be given if the child attends school one or more days that month. An exception will be made for any children leaving the school during January, prior to the beginning of the second semester. In this case, the tuition installment due in January will be prorated because the tuition for the first semester will already have been paid.

If a student leaves after the school year has started, there will be no refund for books or materials. Any unbound books will not be returned to students as the pages have already been pulled and filed with other student papers.

In the event a student withdraws from CAC, the student quiz and test books, miscellaneous supplies and art supplies, and any current event magazines not yet issued will remain at the school, and these costs are nonrefundable. All other books or items that have not been picked up within two weeks will, also, become school property.

Proper paperwork and procedures must be processed when a student is withdrawn. All withdrawals will be handled through the office.

F. FUNDRAISING EVENTS

CAC intentionally offers low tuition and supplements the school budget with fundraising projects. Students will be required to participate in a limited number of fundraising events, and parents are requested to assist. Examples include the Trimble County Apple Festival, the Penny War, the Walk-A-Thon, school plays, car washes, etc. If a class has been designated to work at fundraising events and a student does not attend, the student's Bible grade will be lowered due to failure to participate.

H. THE FIRST DAY OF SCHOOL

Transition to school is an exciting time for young children and their families. During the first two days of school, parents are encouraged to bring their K3, K4, or K5 child to the classroom and quickly say their goodbyes. On the third day of school, it is best for parents to drop off their children in the gym, and then leave promptly. The period of adjustment for the child will be much more difficult if the parent remains. On almost every occasion the student will adjust very quickly when transferred to the care of the teacher.

Note: Kindergarten students should bring a small nutritious snack and a book bag and continue to do so each school day. All-day kindergarten students should bring two snacks, a lunch, and a book bag each day.

I. TRANSPORTATION

Christian Academy of Carrollton does not provide transportation for students. The responsibility for transportation to and from the school is that of the parent or legal guardian of each student.

J. PLEDGES AND DEVOTIONS

The school day begins with pledges and Bible devotions. Students bring their Bibles to class for daily devotion and Thursday chapel. The pledges to the American flag, the Christian flag, and the Bible are to be memorized by all students:

- **Pledge to the American Flag:** I pledge allegiance to the flag of the United States of America, and to the republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.
- **Pledge to the Christian Flag:** I pledge allegiance to the Christian flag and to the Savior for whose kingdom it stands. One brotherhood, uniting all Christians in service and in love.
- **Pledge to the Bible:** I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its words in my heart that I might not sin against God.

III. SCHOOL DAY PRACTICES AND PROCEDURES

A. ACCESS TO THE BUILDINGS

The school building will be open at 7:30 a.m. each morning with teacher supervision provided in the Gym. Parents are not allowed to drop a child off before this time. Students dropped off before 7:30 a.m. and as early as 6:30 a.m. must report to Before Care and will be charged the normal fee. Arrangements for our Before Care services must be made in the office.

Eating breakfast after arriving at school is inappropriate. Parents should arrange for students to eat at home. If a student has not finished his/her breakfast upon arriving in the parking lot parents should take a parking spot and let their student finish eating in the car.

A teacher leads the Middle and High School students to their home rooms at 7:40 a.m. 6th-12th students are considered tardy after 7:50 a.m. and must get a tardy slip from the office. Students need to be in their seat and ready to begin class at 7:50.

Elementary teachers will lead their students to the classrooms at 7:50 a.m. each morning. Students who arrive after 7:50 a.m. will proceed directly to the office. Office staff will ensure these students get to their classrooms. K3, K4, K5, 1st-5th students are considered tardy if arriving after 8:00 a.m. Students will need to get a tardy slip from the office before entering class. Students need to be in their seat and ready to begin class at 8:00 a.m.

B. ATTENDANCE POLICIES

1. In compliance with Kentucky law, the Christian Academy of Carrollton expects all students to attend school **regularly**. Regular and punctual attendance is essential for a student's success. Absences interrupt the process of learning. Therefore, it is important for students to be present every day. Proper education relies on continuity of instruction, classroom participation, learning experiences, student-teacher interaction, and structured study. Because these factors are so important to successful academic progress, students who accumulate more than ten absences in a class for a semester may be subject to penalty as imposed by the truancy office due to excessive absences.

2. Punctuality: Being on time to school and class is essential. Class begins at 7:50 a.m. for students in the 6th-12th grades. Class begins at 8:00 a.m. for students in morning kindergarten and in the 1st-5th grades.

It is important for students to always be on time to school and class. Being prompt demonstrates self-discipline, responsibility, and maturity. These qualities are not only important for proper academic achievement, but they are essential for the development of good habits characteristic of success and preparation for adult life. Plan for your children to be ten minutes early.

- a. Tardiness - after three unexcused tardies, each subsequent unexcused tardy will lower the attendance grade by five points. At the beginning of each nine-week session, each student will start out with a 100% attendance grade. If a student has an "F" in attendance, the next term he/she will have a meeting with the Administrator to establish a plan to improve attendance.
 - b. Absence – after two unexcused absences, each subsequent unexcused absence will lower the attendance grade by ten points.
3. Procedures for Tardiness: when a student is tardy to school for any reason, he/she must report to the office for an "Admit to Class Slip" to enter class. A note or phone call from a parent stating the reason for the tardy should be presented to the office staff at the time the tardy occurs so that a determination may be made as to whether the tardy is excused or unexcused. If no communication is received by the office, the tardy may be counted unexcused regardless of the reason.

Students in grades 6-12 who arrive late are responsible for seeing their teachers to turn in work due on that day and get assignments due the following day. No additional time will be allotted for the completion of the work.

4. Students in grades 6-12 who are late to classes during the day must get a tardy slip from the current teacher to deliver to their next hour teacher.
 - a. After the third unexcused tardy, for each additional accrued tardy, the student will be required to have lunch in another classroom away from the student's peers - this is a lunch detention.
 - b. After the fifth lunch detention, the student will receive a one hour after-school detention for each class tardy.
5. Definition of Absences: absence is defined as missing 15 minutes of class time. Absences due to school-sponsored activities will not be included in the cumulative count. Absences for personal illness, etc. will be included in the cumulative count. If the student misses fifteen minutes or more of class for an early departure, he/she is considered absent. After the tenth absence, no other excuse will be admissible except for death in the family, extreme emergencies, or if there is a doctor's excuse. If an absence was cleared with administration before it occurred, the note or phone call should be made. If a note or phone call is not brought by the student's third day back, the absence will be counted unexcused.

Absence for the following reasons will be considered excused. All other absences are unexcused.

- a. Personal illness
 - b. Death in family
 - c. Emergency deemed excusable by the administration
 - d. Any other reason excused by administration before an absence occurs

- e. Students in grades 11 and 12 are accorded up to three excused days per year for college visits.
 - f. Family trips – limit is 5 days per school year. Student must acquire a **preapproved absence form** in the office that must be signed by the Administrator.
6. After a student has accrued ten absences during a semester, the student will be placed on probation which means they will be exempt from all extracurricular activities for 2 (two) weeks because of attendance concerns and will be in danger of not receiving credit for the class. A letter will be sent with this reminder, and a meeting with the parents may be required. Administration will monitor excessive absences and work out a plan with the family to encourage regular attendance. Students with medical situations and under the care of medical professionals will be required to complete all academic work even if they have excessive absences.
7. After twenty (20) absences from any class, the student may not receive credit for that class. This may have serious impact on the student's progress toward graduation from CAC. Exceptions may be granted due to long-term or serious illnesses. Contact the Principal/Administrator for additional information.
8. After School Procedures – K3-K5 will be dismissed at 2:45 p.m., 1st-2nd at 2:50 p.m., 3rd-5th grade at 2:55 p.m. 6th-8th are dismissed at 3:00 p.m. and 9th-12th at 3:05 p.m. **Students must be picked up no later than 15 minutes after their dismissal time; students will report to After School Care if not picked up within 15 minutes after their dismissal time.**
- a. In an emergency situation parents will be charged for the use of After Care. Students must be under adult supervision after dismissal times.
 - b. Students will meet with the Administrator the next school day for discipline if they fail to report to After Care and are discovered to be without adult supervision.
 - c. Students must go home in the same way they came to school unless a note signed by a parent/guardian is brought to the school office and signed by school personnel. They may not walk around off campus to avoid After Care.
 - d. A student who misses his/her ride is not permitted to walk home but must report to the school office. They shall call a parent and arrange to be picked up. If they are not picked up within 15 minutes after their dismissal time, they must report to After Care.
 - e. Leaving school grounds at any time for any reason without permission is not tolerated.
 - f. Please pick up students on time. The grace period is only for emergency situations.
 - g. Students should not loiter in the parking lot after school.

C. SICKNESS

- a. Students must check out and go home if they have a fever (100°).
- b. When a student goes home or stays home with a fever, they must be fever free without the help of medicines for 24 hours before returning to school.

D. APPOINTMENTS

Medical and dental appointments should be scheduled for non-school hours when possible. Please remember to stagger the time of appointments so the student does not accumulate absences in the same classes. If parents know in advance that a child is going to be absent for any reason, they should clear it with administration before it occurs regardless of whether that absence will be excused or unexcused; then the parents should notify the respective teachers with a written notice so they may plan for the child's absence. A

note needs to be sent with the student to let the teacher and the office know of any absences or appointments to leave school.

E. RECOGNITION OF PERFECT ATTENDANCE

Students with excellent attendance records will be recognized for their accomplishments. A Certificate of Perfect Attendance will be awarded for each nine weeks grading period to any student with no absences and not more than one tardy for that period.

F. MAKE-UP WORK

When a student misses classes, valuable classroom instruction and discussion cannot be made up. Therefore, teachers will hold students accountable for adequate make-up work to cover the missed instruction. Teachers may expect students to do all the work assigned to students who were present as well as additional work to compensate for missing class instruction. Failure to complete the make-up assignments will result in a "0" and will reflect on the student's grade for that period.

Students are eligible to receive full credit for make-up work. This work will be made up at the rate of days absent plus one day not to exceed five school days. In other words, if a student misses two days he/she shall have two school days plus one for a total of three school days in which to make up the work. Students with subsequent absences during the five school days following the original absence will meet with teachers to plan a reasonable schedule for completion of the missed work.

If a student is absent on the day any long-term project, book report, term paper, etc. is due, the following procedure will be followed: Regardless of the reason for the absence, the assignment must be turned in on the day of return to school. The student had long-term notification and time to complete the work.

Teachers will assess severe penalties for major assignments turned in late. If a student is absent for more than one day resulting in a major project being turned in more than one day late, parents are encouraged to contact the teacher to discuss the impact this situation may have on the student's grade. The teacher will determine the ultimate penalty.

Any student who is absent or plans on being absent should request a homework assignment form from the office which will be passed to each teacher. Arrangements should be made to pick up the completed form in the office the same day it is requested.

G. DRINK POLICY

1. Water is the only beverage that may be consumed by students throughout the day at school. Other beverages are allowed only at lunch (or snack for K3/K4/K5). These are NOT allowed: energy drinks, sodas, and any caffeinated beverage.
2. Energy drinks should not be brought to school. Also, no beverages from restaurants or coffee shops should be brought into the gym or school.
3. Students may not carry opened drink containers through the school.
4. Students may carry, keep at their desk, and drink water. The water must be kept in a sealed bottle. The bottle must be kept sealed when not drinking from it. Students should not constantly be sipping on their water.

H. LICE POLICY

Pediculosis (head lice): a child cannot attend classes until treatment has been administered and no nits are present. In a severe case a certificate from the family doctor may be required.

I. REWARD POLICY

At the end of each nine weeks, a homework coupon will be issued to students in the 4th-12th grades who have not had any tardies or absences. A homework pass may not be used on a pre-test study sheet or review.

At the end of the school year, if a student has made all "A's" or "A's & B's," has perfect attendance, no tardies, no homework infractions, other than one warning, no detentions, no dress code violations, no conduct infractions, he/she will have a choice whether to take the yearly exam in each class in 6th-12th grades.

J. BOOKS

Students in each of the grades must always carry their own books. Boyfriends/girlfriends must adhere to this rule.

K. THE SENIOR STUDENT CO-OP PROGRAM

Senior students who qualified and were accepted during end of their Junior year for a Co-op Program with Dow Corning or North American Stainless must sign out each afternoon when they leave for their assignments. Qualification requires a grade point average of "B" (3.0) or higher for Dow Corning and for NAS. The students must have excellent attendance records. To continue their participation, they must consistently arrive for school on time each morning (doctor's excuses would need to be given for exceptions to this rule).

Any junior with excessive tardies or absences throughout high school and does not have a 3.0 GPA or higher will be ineligible to co-op in his/her senior year. Smaller companies might accept a Co-op student with a 2.75 or higher GPA.

A senior who has been tardy four or more times during a nine-week grading period will not be permitted to go to Co-op, whether the tardy is for the first-period class or any other scheduled class at CAC. The student will have to remain at CAC and will be assigned extra work until 3:05 p.m. The student will be required to call a parent and the work supervisor to let them know about not being allowed to go to work. The only exception to the tardies and absentee rule is if they have been excused by doctor. If a senior student leaves school early for any reason, that student will not be permitted to go to the Co-op program that day. When a senior has missed 20 minutes of any class period, he/she will not be allowed to go to work unless there is a doctor's excuse. Co-op students' work is assessed by the employer and the grade is entered on their report card.

L. DRIVING PERMIT REQUIREMENTS

No student will be allowed to get a driving permit if there are any D's or below on his/her report card or transcript for the last nine week's term or the term they are completing at the time of applying for a permit.

M. STUDENT DRIVERS

1. Student drivers must complete a Student Driver Contract at CAC. Student drivers are not allowed to transport non-siblings unless special permission is given by the Administrator.
2. Student drivers must park in the lower gravel lot during school hours.
3. Student drivers must drive 10mph or less in the school parking lot.
4. A student driver's permission to drive may be revoked or suspended by the Administrator if they are suspended from CAC for any reason.

N. DISMISSAL PROCEDURES

At the end of the day all teachers must take their students to the pick-up locations. Students will have their books and be prepared to be dismissed to their rides. Students not picked up by 3:20 will go to the after-school care program. Parents will be charged for after-school care due at pick up.

During the dismissal process, teachers transfer supervision and responsibility for the students to the parents, who must watch their children with care, especially in the parking lot. Elementary students must be supervised by their parents in walking through the parking lot to their vehicles and until their departure. Students must not be allowed to run in the grass or on the hills.

After dismissal time, students may not remain on campus unless they are under the direct supervision of a teacher. No activities are conducted on campus without a teacher's supervision. Students may not play on the playground, in the gym, in the fields, or on a ball court.

If, for any reason, a student will not be leaving school in the afternoon by his/her normal means of transportation, the parent should send a note of explanation to the school with their child. This would include such situations as a student riding home with another student to spend the night, or a student that normally rides with one family being picked up by someone else. The note of explanation will equip the teacher to ensure that students leave by the means the parent intended and will relieve the school of the responsibility of acting solely on the student's word.

O. PLANNING FOR OFF-CAMPUS APPOINTMENTS

Once a student has arrived at school in the morning, the student is not permitted to leave the school grounds until dismissal at the end of the day. Any exceptions to this must be approved in advance by administration. Any student who drives his own car is not permitted to return to his/her car or any other car until the end of the school day.

Parents should avoid taking students from class for appointments as much as possible. They should also attempt to vary the times of necessary appointments, so a student does not accumulate excessive absences from the same class or classes. Any student who misses fifteen or more minutes of class for an early dismissal is considered absent for that class.

When an absence cannot be avoided, the parent must send a note for the student to present to the office staff prior to the start of school. The note is to include the student's full name, the date and time of anticipated departure, the estimated time of return (if the student is returning the same day), the reason for leaving early, and a parent's signature. When departing and returning, students sign out and sign back in through the front office.

Illness During the School Day: students who become ill or need to take medications must be given a pass by his/her current period teacher. All medications taken while on campus must be kept in the office. When a child is ill and must stay in the office, he/she will be considered absent from class.

IV. SCHEDULES, EVENTS, AND SPECIAL DAYS

A. SCHOOL CLOSINGS AND DELAYED SCHEDULES

In the event of hazardous weather conditions, school may be closed or delayed for either one or two hours. CAC will normally follow the same closing schedule as the Carroll County Public School system. Many of our families come from other counties and may have more severe weather than Carroll County. CAC may not be able to account for this when determining closings and delays but will work with such families regarding tardiness and absences.

Please remember to sign up for Remind to receive texts to inform you of cancellations, events, etc. Text @336bd to 81010 to sign up for this service.

Since the CAC calendar is not identical to that of the public school, parents are advised to check the school closings announced through the local radio and television stations on days of inclement weather (WKID 95.9, WIKI 95.3, WORX 96.7, WAVE TV 3, WHAS TV 11, etc.).

In the event of a two-hour delay K3, K4, and K5 morning classes will be cancelled. However, the all-day K3, K4, and K5 classes will meet beginning at the delayed start time.

Non-Traditional Format: Teachers will distribute learning plans for these days in advance, so students and families will be prepared to continue learning even when school is not in session due to extreme weather conditions. Students who do not participate in the non-traditional learning format will be counted absent for the days for which they do not participate. Students will also have to make up any missed textbook work during that time.

B. HOLIDAYS AND IN-SERVICE DAYS

Please refer to the school annual calendar in planning for the school year. The calendar is not identical to that of the Carroll County Public School system. Some holidays are added to the CAC schedule, including Good Friday, during which students are encouraged to attend church services in commemoration of the crucifixion of our Lord.

Also refer to the annual calendar to make note of teacher in-service days. These days may not coincide with the public-school schedule.

Families should plan family trips and vacations around school holidays and avoid taking students out of class during the school year. Each student is limited to 5 excused absences for unavoidable family trips and after reaching that limit will receive an unexcused absence for each day missed.

Parents are required to turn in a pre-approved absence form for planned days out of school. This form must be turned in 2 weeks in advance and be approved by the Administrator to result in an approved absence.

C. EVENING EVENTS

All students are required to attend some evening events, which may include the Trimble County Apple Festival, the Christmas program, the school-sponsored Live Nativity Scene at the Courthouse lawn, the spring program, the graduation banquet, graduation services, etc. The school will communicate the expectation for required attendance in advance. Teachers and students invest considerable effort to prepare for these events, and student attendance is a great encouragement to those who participate in programs.

If a student fails to attend a required evening event, consequences will be enacted.

1. Attendance may be considered as a final exam grade for Bible or music class. Non-attendance will cause the grade for the class to be lowered.
2. If a student is unable to attend a required event because of missing school the day due to illness, the student may make up the absence by writing a research paper or essay on a subject deemed appropriate by the teacher.
3. Appropriate dress is required at any school event. If school uniform is not required, students must still adhere to the dress code.

D. CHAPEL DAY

All students are required to attend chapel services and other assemblies. Chapel will be held on Thursdays for Elementary and MS/HS after morning exercises. Students must wear their chapel dress uniforms unless otherwise notified. Students in 3rd-12th grades are required to bring a Bible. Mission or community projects may take place during the week.

Pastors from the community and staff will be asked to provide chapel services for 40 minutes on chapel day starting at 8:05 and morning exercises. Chapel is a time of group worship. Students are to be on their best behavior, participating appropriately in each portion of the service. Any student not bringing a Bible will have two points taken away from Bible class. Also, students considered to be couples will not be allowed to sit together during chapel. Home room teachers will give students specific instructions for conduct relating to chapel services and assemblies and will remind them of such from time to time as necessary. Students are required to participate in chapel by listening, singing when appropriate, and following along in the Bible.

E. JEANS DAY

Jeans Day will be the last school day of each week. Students may wear casual uniforms, or they may wear jeans with a uniform shirt, approved CAC t-shirt, or uniform blouse, unless otherwise notified. To participate in Jeans Day, \$1.00 must be given to the homeroom teacher to go towards the high school mission trip fund or other class projects if jeans are worn. In order to wear jeans and appropriate t-shirt, \$2.00 must be given. An appropriate t-shirt has short or long sleeves and non-worldly art work. The jean rules (found on page 36 of this handbook) must be followed. Occasionally, student apparel may vary in accordance with the theme for the day.

F. HOMECOMING SPIRIT WEEK

During the week of CAC's Homecoming (generally held in February or March), there is a school-wide Spirit Week celebration. Students are welcome to participate in the themed dress-up days. Themes are subject to change each year, but some previous themes have been USA Day, Decade Day, Camo Day, and Purple & Gold Day. There are specific criteria to follow, so please refer school dress code starting on page 31 for details on what is appropriate to wear for Homecoming Spirit Week.

G. FIELD TRIPS

Classes may take trips to interesting and educational places in the area as a vital part of the instructional program. Parents will be notified beforehand. In order for a student to participate in field trips, the parent must sign a permission slip. Small fees may be charged to cover the expenses. All field trips will begin and end at the school. Uniforms are required to be worn during field trips unless other instruction is given.

H. RECESS

Teachers try to schedule a recess each day for both the younger and older elementary grades. In addition, the younger grades (K3-4th grades) have a 15-minute recess scheduled each day.

Most recess times will be held outside except for days of inclement weather. Students should come prepared with proper clothing. This would include warm coats, hats, gloves, and/or mittens. A student may be held inside if not dressed appropriately.

All students are expected to participate in any outdoor recess; however, in the event of illness, a student will be allowed to stay in, if a parent has written a note with this request. A student may be excused from outdoor recess for up to one week with this note. If the illness persists, the parent must send a new note to extend the excused period.

V. LUNCH INFORMATION

- Lunchtime is from 11:30 a.m. to 12:00 p.m. for all grades.
- CAC does not provide a free meal service to students.
- Students bring their own lunches to school, or they may order from CAC's Lunch Program.
- If lunch is brought from home, it should be in a lunch box or brown paper bag with student's name on it.
- Through the Lunch Program, local restaurants provide meals on Tuesdays, Wednesdays, Thursdays, and Fridays, for a fee.

A. LUNCHTIME CONDUCT

- Lunch is to be eaten in the classrooms.
- Proper manners will be promoted and practiced.
- Loud talking and foolishness are not considered proper table manners and are strictly forbidden.
- Students are responsible to keep their lunch area clean.
- Home Room teachers will discuss additional rules of conduct during lunch time.

B. LUNCH PROGRAM

- Parents complete lunch order forms and specify which meals they are ordering. The school receives lunch order forms on Monday mornings by 9:00 a.m.
- There is a specific process to follow when ordering, so please refer to the instructions below to ensure orders are placed accurately.
- This lunch program operates through the selflessness of parent volunteers and their dedication to the school and its mission. These parents volunteer to receive, count, and process the orders, pick-up the meals, and deliver the lunches to the classes.
- If any parent or family is interested in helping with this lunch program, please contact the school office.

C. ORDER FORMS

- Order forms are sent home periodically throughout the school year and are always available at the school office.
- Order forms may also be printed from the school website.

D. ORDER FORMS DUE

- Lunch fees and forms for the week are due on Monday mornings by 9:00 a.m.
- Parents are requested to complete their forms before coming to the office because the office is congested on Monday mornings; completing the form in the office causes unnecessary overcrowding.

E. HOW TO ORDER

- Order forms must be filled out properly to ensure the order is placed correctly.
- Order forms must be filled out before the start of the school day so that the student may hand it to his/her teacher at the start of class.
- Correct ordering procedure – In blue ink, please write the student's name and grade at the top of the form and **circle/highlight** the following: **item** ordered, **choice** (where applicable), and **price** of each item ordered; finally, write in the total at the bottom of the form. (*See next page.*)

Name: John Doe Grade: 3rd

	PEPPERONI	\$5.00
THUR - SUBWAY	TURKEY	\$4.50
FRI - MI VIEJO	QUESADILLA	\$4.50

- Please be sure to secure the money and order form in a zip baggie or sealed envelope.
- Handwritten order forms are NOT accepted.

F. RESTAURANT LUNCHES

- Restaurant lunches may be made available through the office. Orders and payment must be brought to the teacher at the start of the day on Monday. Meals range from \$4.50 to \$5.00.
- Emergency lunches are available through the office when a student forgets his/her lunch. Emergency lunch is not meant to substitute as a lunch program. Emergency lunch will consist of something like crackers and applesauce.

G. FAMILIES WITH MULTIPLE STUDENTS

- One order form per student must be filled out and handed in to his/her Homeroom teacher.

- Do not place order forms for multiple students in one envelope. Orders are processed and tallied by class and not by family.
- You may put the money for all your students in one student's envelope (the oldest or most responsible child). However, PLEASE make a note on the rest of your students' lunch order forms that payment is with the specified sibling's form.

H. LUNCH OPTIONS

- Lunch prices, lunch providers, lunch meals, and lunch days may vary from year to year.
- Lunch prices are subject to change.
- The meals available to students through the Lunch Program are NOT customizable.

I. PAYMENT

- Payment: Cash or checks are the only accepted forms of payment.
- Families with multiple students (See G above)
- Overpayment: No change will be given or carried over to the following week. Overpayment will be considered as a donation to the school.
- If a check "bounces," CAC will no longer accept checks from the family and will be moved to cash payments indefinitely.
- Please send in the *exact amount* of cash or checks only – no change will be given.

J. STUDENT ABSENCE

- In the event the child is absent or sick on the lunch ordering day (Mondays), please call the office to place the order before 9:00 a.m. and send in the order form and payment the following day.
- During the week, if a lunch has been ordered, and the student is not at school, then the parent may call the office before 9:00 a.m. the day of the absence to arrange pick up of the lunch. If the office is not informed by 9:00 a.m., then the meal will be forfeited.

K. BRINGING OUTSIDE LUNCH

- Parents should not bring restaurant food to students at school, except sporadically as a special treat. If one child regularly receives a hot lunch from a parent, other children may resent the fact that they never get lunches from a restaurant other than with the hot lunch program.
- If a parent does bring lunch for a student at lunchtime, the lunch should be given to the office staff. The lunchbox/restaurant bag should be marked with the student's name and grade so it will be given to the correct student.
- Lunches brought in after the lunchtime period (11:30 a.m. – 12:00 p.m.) will not be given to the student because it takes away from his/her class time or recess time.

L. IF A STUDENT FORGETS LUNCH

- The student may call his/her parent(s) from the office phone before 10:30 a.m. to let the parent know the student does not have lunch. This will allow the parent to bring a lunch in time for the lunch period (11:30-12:00). The student will be given cheese crackers or peanut butter crackers and applesauce if a lunch is not brought before the lunch period. The lunch period will not be extended due to forgotten lunch.

M. CREDITS/REFUNDS

- Volunteers invest their time to manage this lunch program. If school is cancelled or the program is otherwise interrupted, CAC has not been able to process refunds or credits with the current system. Therefore, these rules have been implemented.
- CAC will NOT issue credits or refunds for lunches.
- There are no credits/refunds for snow days, alternative learning days, or scheduled field trip days.
- No change will be given or carried over to the following week due to overpayment.

VI. OFFICE MANAGEMENT

A. OFFICE HOURS

During the school year the office will be open each school day from 7:30 a.m. until 3:30 p.m. During the summer months the office will maintain irregular hours.

B. PHONE

School phones are business phones and may be used by students only in case of emergency. Students will not be allowed to have cell phones or smart phones at any time. Smart phones, cell phones, smart watches, iPads, iPods, electronic games/devices, audio/video recording devices, cameras, calculators, etc. are not permitted at school during school hours. Only during an extreme emergency will there be an exception to this cell phone rule. **If a cell phone is needed, it should be turned in to the office or homeroom teacher as soon as the school begins each day.**

C. ADDRESS OR TELEPHONE NUMBER CHANGE

When a student's home address or telephone number changes, the school office must be notified immediately.

D. VISITORS TO THE SCHOOL

- Parents and guest must not enter the hallways or classrooms without signing in at the office window and being given permission.
- Parents and guest must understand that the administration, staff, and teachers oversee all students and must be the ones in control. Visitors must follow their lead.
- All visitors must follow the same behavior guidelines that are set for students. If such guidelines are being ignored, they will be asked to leave the buildings.
- Parents and guest must not confront a staff member in front of students or where others might be able to hear the confrontation. They should ask for a meeting that is private.
- In a custody issue the school must have legal documentation on hand to follow requirements.
- Parents bringing homework their children forgot should submit the homework the office to be delivered at an appropriate time without disturbing the classroom.
- Parents bringing lunches to the school should leave them in the office with the student's name and grade written on the lunch box or bag.

E. SCHOOL PICTURES

A photographer will take pictures each fall. Photos will be offered for sale to the family. All students should have their picture taken, even if the family does not intend to make a purchase. The school will then have a picture for cumulative files.

F. LOST AND FOUND

Lost and found articles are deposited at the office. Students that have lost an article should check at the office. At the end of each quarter, all lost and found articles not claimed will be taken to a consignment shop or sold at CAC for student supplies costs.

G. EMERGENCY DRILLS: FIRE, TORNADO, EARTHQUAKE, AND SHELTER-IN-PLACE

Fire drills will be conducted monthly and other drills such as tornado, earthquake, and shelter-in-place drills will be conducted as necessary. Drill instructions will be posted in each classroom and reinforced through teacher instructions. Drills are conducted with discipline, sensitivity, and seriousness.

VII. CURRICULUM

Instructors at CAC teach every subject from a Christian worldview perspective, providing a well-rounded, Bible-centered education.

A. KINDERGARTEN

The K3-K5 curriculum is a complete educational program in which children are taught skills development, letter recognition, phonetic sounds, phonetic reading, number recognition, fundamental math concepts, number value concepts, cursive writing, poetry, music, Bible, art, computer, community awareness and health, social studies, and current events. The K5 curriculum is a complete educational program in which children are taught advanced skills development, letter and phonetic sounds, reading as well as advanced reading, number recognition and value concepts, advanced math concepts, cursive writing, poetry, music, Bible, art, computer, community awareness and health, social studies, science, arithmetic, and current events.

B. ELEMENTARY

The Elementary curriculum includes reading, phonics, language arts, spelling, writing, arithmetic, science, health, physical education, history, geography, map and graph skills, art, music, computer lab, current events, Spanish, Science Program, and Bible. Piano or keyboarding is generally available for elementary students; general music classes are offered for elementary students; recorder training is generally offered for 3rd or 4th grade.

C. MIDDLE SCHOOL (GRADES 6-8)

The Middle School curriculum includes grammar, composition, spelling, vocabulary, poetry, literature, mathematics, pre-algebra, Algebra I, science, geography, history, health, physical education, creative writing, art, music, Spanish, computer and keyboarding, current events, and Bible. Band or choir is periodically available for 7th grade. Band instrument lessons, piano lessons, and voice lessons are sometimes available.

D. HIGH SCHOOL (GRADES 9-12)

The High School curriculum includes Bible, language arts (English, 9, 10, 11, and 12), mathematics (algebra I, algebra II with trigonometry, geometry, consumer math, business math, advanced math/pre-calculus, and calculus), science (physical science, biology, chemistry or advanced chemistry, anatomy, and/or physics),

foreign language (Spanish I & II), computer I & II, social sciences (American government, civics, and world geography, United States history, world history and cultures, and economics). Electives are taught to supplement student schedules. Examples include financial planning, consumer math, applied math, physical education, keyboarding, home economics, arts and humanities, integrated careers, study skills, life management skills, health, journalism, speech/drama, and generally music. Band instrument lessons and piano lessons are sometimes available as needed and are based on the availability of instructors. Students in grades 7-12 may audition to join the school's Worship Team; this group performs during chapel, and during other school programs.

Christian online courses as well as other courses are available for students through "Sevenstar Academy" and Taylor University. The Jefferson Community and Technical College (JCTC) offers online courses as well as in house college courses. It is not recommended for any student to take college classes unless he/she has at least a 3.0 GPA. This is to not overburden the student. However, there have been exceptions due to a student's work ethic and determination to succeed.

Students are eligible to take two dual credit scholarship courses at JCTC in their junior or senior year. Several dual credit college courses are available to the students throughout their junior and senior years at the various colleges. Also, students may take the AP testing as well as take the CLEP test or AP test to earn credits for different courses. ACT and SAT testing is encouraged throughout high school. Students must register and pay for any course taken through a college and when taking the ACT or the SAT tests.

E. PRIVATE MUSIC LESSONS

Private lessons for a band instrument are sometimes offered in the 3rd-12th grades, and piano/keyboarding is sometimes offered in the 1st-12th grades. Voice and string lessons may be offered based upon instructor availability.

F. TEXTBOOKS AND MATERIALS

The textbooks fee is due before the school year begins, and a discount is provided for payment before the end of June. Textbooks are typically purchased each summer in June to assure proper time for the books to arrive at CAC for the beginning of the school year. K3, K4, K5, 1st-3rd grades will not be allowed to trade books as this is too much hassle for the office and it normally would not save the parent any more than using the book rental program. To offset some of the book expense, a book rental program has been incorporated into the book-fee price in the first to sixth grades for the reader books. A book-fee price is quoted per grade. There will be a \$25.00 fee for making copies if books are not bought by the 2nd week of school. Also, a book rental fee is part of the 4th - 12th grades for reading, book report books, etc.

In the event a student leaves after school year has started, there will be no refund for books or material. Also, any unbound books will not be returned to student as the pages have already been pulled and filed with other student papers.

Basic materials such as pencils, crayons, notebook paper, glue, etc. will be furnished by the Academy for grades K3, K4, K5, 1st-5th grades, unless notified otherwise. Special art/activity materials may also be needed. Most of these materials will be furnished by the school with other specific items to be obtained by the student upon the request of his/her teacher.

G. BACKPACK AND LUNCHBOX POLICY

- Backpacks and lunchboxes must be plain or have a subdued pattern and color.
- Backpacks will have no characters, and no menacing, gothic, mythical, offensive, or anti-Christian designs.
- A name may be embroidered on the backpack, and the item may display the brand logo.

- Backpacks with wheels are not allowed unless the office receives a written request by the student's doctor.

H. HOMEWORK POLICY

We believe that homework is an integral part of the school program, and the teacher is at liberty to give homework to help each student advance in his/her studies. While parents may assist by seeing that the work is done and by explaining work, when necessary, the work must be done by the student; and they must take the responsibility for his/her homework assignments. Parents are invited to discuss this phase of cooperation with the teacher.

In the event a student needs special assistance in getting his/her homework, the extent of this policy will be implemented at the discretion of the teacher and administration to accommodate students and not cause undue stress on the child.

1. A homework offense includes any of the following:

- Not bringing a book to class - this includes all textbooks, planner, Bible, and books requested by the teacher. One warning will be issued for the entire year.
- Incomplete homework
- Homework not done
- Copying off another student's homework
- Allowing another student to copy his/her homework.

A student who habitually does not turn in his/her homework will eventually be suspended. If this consequence does not change the student's behavior, expulsion from CAC will be the next form of discipline. Students will not be allowed to stay at CAC if they continue to disobey the teacher by not completing their homework assignments.

2. Homework Offense Policy for 3rd Grade Through 5th Grades:

- First Offense:** Finish homework during recess.
- Second Offense:** Write homework sentence ten times during recess. Homework not complete will be done following sentences, and if not completed will be added to that night's homework.
- Third Offense:** Write homework sentence ten times during recess. Homework not complete will be done following sentences, and if not completed will be added to that night's homework. Also, two points will be deducted from homework grade.
- Fourth Offense:** Write homework sentence 15 times during recess. Homework not complete will be done following sentences, and if not completed will be added to that night's homework AND two points will be deducted from homework grade. Also, lunch detention will be assigned.
- Fifth Offense:** Write homework sentence 15 times during recess. Homework not complete will be done following sentences, and if not completed will be added to that night's homework AND two points will be deducted from homework grade. Also, two lunch detentions will be assigned.
- Sixth Offense:** Conference with parents, a half hour detention, and two points deducted from homework grade.
- Seventh Offense through Ninth Offense:** One-hour detention and two points will be deducted for each offense.
- Tenth Offense:** Conference with administration and in-school suspension along with points being deducted from homework grade.

3. Homework Offense Policy for 6th through 12th Grades:

Every student begins with a 100% in homework each nine weeks. Each homework offense decreases this grade. The final grade is considered a FULL TEST grade for each subject and is averaged with the other grades.

4. Not completing pretest study guide: 10 points deducted from homework grade for each offense.

- **First Offense:** Incomplete homework is forgiven.
- **Second Offense:** Incomplete homework: Two points deducted from the assignment grade for each offense thereafter.
- **Third Offense:** Incomplete homework assignments: Two points deducted from the assignment grade for each offense. Student must serve a lunch detention.
- **Fourth Offense:** Incomplete homework or ignoring homework for fourth time: Four points deducted from homework grade, and student must serve a lunch detention.
- **Fifth Offense:** In addition, incomplete assignments, or no attempt to do assignments or a combination thereof will result in a detention and writing a 500-word essay (topic will be at the teacher's discretion). Each subsequent homework offense will result in detention of one hour.
- **Sixth offense through Ninth Offense:** Phone conference with parents, written penalties, and afterschool detentions as above.
- **Tenth Offense:** Conference with administration with a request for an in-school suspension.

I. LIBRARY

Students are encouraged to use the schoolbook report books. Books should be returned when due. A fine of five cents (\$0.05) per day, including weekends and holidays, will be charged for overdue books. Lost or damaged book cost will need to be reimbursed to CAC. Reference materials are for in-school use and may not be checked out by students.

J. PARENT-TEACHER CONFERENCES

Parent-teacher conference will be scheduled around early November. Parents are urged to attend. Parents should not feel restricted to the scheduled conference, but rather should always feel free to make an appointment with the teacher about any problem or question that concerns the welfare of their child.

Teachers are not permitted to conduct parent-teacher conferences during their class time because such a conference would interfere with the educational process of the entire class. Appointments may be made after school or during any other non-class time that may be agreeable with the teacher by sending a note with the child requesting a conference with the teacher.

K. GRADING SYSTEM

The percentage distribution for each letter grade is as follows:

- 100-90 A - Excellent
- 89-80 B - Above Average
- 79-70 C - Average
- 69-60 D - Below Average
- 59-0 F - Failure

In some subjects an alternate marking system is used to communicate student progress. The key to this system is as follows:

- E - Excellent Progress

S - Satisfactory Progress

N - Needs to Improve

L. PROGRESS REPORTS

The SYCAMORE school management system is provided to eliminate the need for continual reporting to parents on a child's progress. It is important that each parent be aware of their username and password and know how to log into their child's Sycamore records to monitor grades, homework assignments, attendance, discipline, and the school calendar, as well as to communicate with the teacher.

If a parent or student is having an issue logging in or knowing how to use this system, please come to the office and ask for help. We are more than happy to assist everyone with this new system.

M. HONORS AND COMPETITIONS

Each grading period, an honor roll list will be submitted to local newspapers with the names of students who have all "A's" or "A's and B's." An Honor Roll Certificate will be awarded to all students earning the Honor Roll for each grading period. Conduct and attendance grades will not affect honor roll placement.

High School students may be recognized in "Who's Who Among American High School Students," People to People Ambassadors, Duke TIP (Duke University Talent Identification Program), Governor Scholarship, Arts Awards, UK "Rising Scholar," Presidential Silver and Gold Community Service Awards, College Scholarship opportunities, JCTC Dual Credit scholarships (2).

Students are encouraged to participate in competitions. A few of the competitions available are as follows: Conservation Poster & Essay, and Duke TIP. Also, the Association of Christian Schools International (ACSI) offers several competitions such as: Math Olympics, Poetry, Creative Writing, Speech, Drama, Music and Art. The following school clubs are available as needed: Student Council, Spanish Club, Art Club, Conservation Club, etc.

The following sports are available: archery, basketball, cross country, and volleyball (golf and tennis are available as needed and based on coach availability).

N. REQUIREMENTS FOR GRADE PROMOTION

Students are recommended by the teachers and invited by administration to return the next school year. To progress to the next grade level, the student is expected to complete at least passing work (D) in all subjects. If one or more subjects are failed for the previous semester or the entire year, yet the teacher believes a student can proceed to the next grade, the teacher or administration will consult with the parents about makeup work or tutorial help. However, if a student is making D's in core subjects, this means they are in danger of failing due to not knowing the material.

O. REQUIREMENTS FOR GRADUATING WITH HONORS

Students with a 3.5 GPA or above and not having a "C" average or below for a semester average in any subject will receive honors for 8th or 12th grade graduation. Valedictorian and Salutatorian will be presented only to senior graduates. Anyone receiving a valedictorian or salutatorian honor must have a 3.75 GPA or above and not have a "C" average or below for a semester average in any subject throughout high school. A student will not be allowed to graduate with honors with a "C" or below in conduct.

P. TESTING

All students, K5, and 1st grade through high school are required to take a standardized achievement test each spring. High school students will also take the PSAT each year. Students are encouraged to take the following testing to prepare for college: PSAT Test, AP Testing, CLEP Testing, SAT Testing, and ACT testing.

Q. SPORTS

The mission, policies, and procedures for the school's sports programs are described in the Athletic Handbook. The Christian Academy of Carrollton's sports teams are generally part of the KCAA (Kentucky Christian Athletic Association). Please see the CAC Athletic Handbook for details about Athletics at CAC.

R. STUDENT COUNCIL

6. The SC will raise funds for the accomplishment of one of their approved ideas.
7. If a student on SC receives an in-school suspension of any kind, they will serve a suspension period from SC of at least 1 month or more determined by the Administrator. If a student on SC receives an out-of-school suspension, they will be removed from SC for no less than the rest of the school year.

VIII. DRESS CODE

The goal of our dress code is to establish high Christian standards for our school and our students, which consist of the following:

- Shape the student's heart.
- Teach the student respect for authority and conformity to God's expectations.
- Prepare the student for a life of service and vocation.

The code is intended to achieve the following values:

- Foster self-respect.
- Maintain an atmosphere consistent with instructional goals.
- Present a positive image in our community.

Therefore, a specific uniform is required for all students, and these standards are applied consistently. - Third Level of Discipline: Parents receive a phone call requesting them to bring appropriate apparel for the student.
- If a student persists in failing to comply with dress code expectations, consequences with increasing severity are applied. Persistent defiance of the uniform dress code policy will be considered a major violation of the discipline code.

- The administration reserves the right to handle each situation of non-compliance on its own merit. Final determination of appropriate dress is the responsibility of the CAC teachers and administration. In the event a student or his/her parents refuse to comply with the dress code, the student will be dismissed from CAC.

IX. DISCIPLINE CODE

A. DISCIPLINE PHILOSOPHY

The discipline philosophy of the Christian Academy of Carrollton is based on Proverbs 4:23, ***“Keep thy heart with all diligence; for out of it are the issues of life.”*** ***Students will increase as Jesus did “in wisdom and stature, and in favour with God and man”*** (Luke 2:52). This implies that the school must partner with the home and church to train students to guard their hearts from sin and model a godly lifestyle through speech, actions, and attitudes.

Biblical discipline:

- Reflects the character of a creative and redemptive God
- Is based on Biblical principles
- Partners with parents
- Considers the heart as the root of all behavior
- Sees the child as created in God’s image
- Affirms the child unconditionally
- Views the child as a fallen sinner and in need of loving correction
- Does not ignore misbehavior
- Teaches the child to make wise choices in response to a loving God
- Understands the importance of relationships
- Address the “what” and “why” of a child’s behavior
- Grows and matures the student from the inside out
- Issues just rewards and punishment

B. THE COOPERATION OF PARENTS AND TEACHERS

Parents and teachers will cooperate in the discipline process. Parents must assume the teacher is operating with integrity and excellence in the teaching and disciplining process and must reinforce the teacher’s authority. Anything said or done which destroys mutual respect and confidence will harm the student. When parents have questions, they should contact their student’s teacher immediately. Usually, a conference or a conversation, written or by phone or in person, will eliminate problems and clear up misunderstanding.

The first step for a parent aware of a concern in the classroom is to communicate with the teacher, following the Matthew chapter 18 principle. Verses fifteen and sixteen: ***“Moreover if thy brother shall trespass against thee, go and tell him is fault between thee and him alone: if he shall hear thee, thou has gained thy brother. But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established.”*** So, if a matter is not resolved through communication with the teacher, parents should not hesitate to consult the Principal/Administrator.

C. RESPONSIBILITIES TO THE STATE OF KENTUCKY

All teachers in Kentucky have a responsibility to report cases of or suspicion of abuse to Child Protective Services (CPS) 502-732-6681. If they observe signs of physical abuse such as bruising, handprints, etc.; if a child

tells them that they are being beaten, verbally berated, and put down, not properly cared for, inappropriately left alone, etc. they are required to call.

D. STUDENT CONDUCT

CAC serves God, the staff, the students, and their families well by establishing and enforcing a code of behavior based on Biblical principles. Obviously, it is impossible to list rules and regulations to encompass the complete behavior of all students; however, the rules and regulations below, and those discussed or referred to elsewhere in this handbook, will serve as some basic guidelines for student conduct. Teachers are charged with the responsibility of maintaining proper behavior on the part of the students in their classes and are at liberty to establish rules for classroom conduct in addition to those rules set forth in this handbook.

E. GENERAL BEHAVIOR RULES

1. Students shall be respectful to all staff members, faculty members, and parents.
2. Students shall be courteous to each other. No one will be permitted to either start or engage in fighting while at school.

7. Students are not allowed to randomly throw balls; the fixtures, lights, scoreboard, and other parts of the gym are not made to withstand this kind of treatment. The gym lights are easily breakable if hit.

G. DISCIPLINE PROGRESSION

Discipline at the Christian Academy of Carrollton is a process by which students are guided to develop Christ-like character. Teachers maintain classroom behavior in accordance with Christian principles as set forth in Scripture. Teachers establish rules and procedures for the management of their classrooms and their grading procedures. Students are expected to conduct themselves in a manner that is that honors God and shows respect to themselves, their parents, and CAC.

Students are expected to be on time and properly prepared for each day. Expectations for conduct apply to the time that students are in school and at school activities as well as the time they are away from school. Students are accountable for their academic performance and their behavior, conforming to the classroom rules and seeking to excel academically.

The Christian Academy of Carrollton reserves the right to reasonably discipline students that fail to comply with any of the rules and regulations of the school or that engage in any other behavior that is less than desirable. Various forms of discipline will be administered depending on the nature of the offense, the frequency of commission, and the attitude of the student. The goal is always to bring about a change of attitude and behavior in the student's life. When change and improvement are noticed, parents and school personnel have achieved their desired purpose. Persistent disobedience will require walking through the disciplinary progression listed below.

1. First Steps: When inappropriate student words, actions, or attitudes take away from classroom instructional time, disciplinary action may include a simple reprimand, assigning a student to sit in a "think about it" chair, losing recess, or a writing assignment. These simple steps of working with students are effective to deal with discipline with students in the early grades.

2. After exhausting all efforts within the classroom according to the teacher's protocol for student discipline, a teacher may find it necessary to send a student to the Principal/Administrator, who will confer with the teacher and decide what corrective measure should be taken.
 - a. This action will include discussion of the problem and involve parents in the process.
 - b. Outcomes may be assigned: development of a contract; assignment to detention; conference with teacher, parent, and Principal/Administrator; assignment to an in-school suspension; or placing the student on academic or disciplinary probation.
 - c. The Principal/Administrator, after consulting with all parties involved, has the right to evaluate any unacceptable behavior and determine and administer the appropriate disciplinary action.
 - d. The goal is that the student will alter attitudes and change behaviors. Persistent unacceptable behavior could result in the student's expulsion from school.
3. Detention may be used as a means of discipline for students in the 4th - 12th grades. Detentions may be assigned for the student to serve during recess or after school.
 - a. If a student is given an after-school detention, it will begin as soon as school is dismissed and will last according to the assigned time given. Parents will be notified of an after-school detention at least one day in advance, and transportation will be the parent's responsibility. Any student that is not present for detention without a valid excuse will be given an added detention. Three missed detentions will result in an in-school suspension.
 - b. Students in grades 4-12 who receive three disciplinary detentions for the same offense in one quarter will be given a suspension for an amount of time that shall be at the discretion of the Principal/Administrator. The student shall be placed on disciplinary probation for the remainder of the quarter or for a period of six weeks, whichever is longer. If the student receives another detention for the same offense during the probationary period, the Principal/Administrator reserves the right to proceed further down this progression of discipline.
4. Conferences: The process will involve parent-teacher or parent-Principal/Administrator communications to help bring correction to the student.
5. Disciplinary Probation: If a student has demonstrated difficulty complying with the discipline principles, he/she may be placed on probation for a minimum six-week period. The student, during this time, will receive support, instruction, and feedback in the development of appropriate patterns of behavior from his/her teacher and administration. A program will be designed to ensure that the student earns his/her release from probation by demonstrating good behavior while at school.
 - a. A student on disciplinary probation will have a personal conference each school week with the Principal/Administrator or a faculty member.
 - b. A student on disciplinary probation may not participate in extra-curricular activities while on probation. The student must also relinquish all positions of leadership and responsibility for the remainder of the school year.
 - c. Disciplinary probation will last a minimum of six weeks.
 - d. When the period of disciplinary probationary expires, the student may be removed from probation if satisfactory improvement is evident.
 - e. If sufficient improvement has not been shown, the Principal/Administrator reserves the right to extend the probation, expel the student, or ask the student to withdraw from school.
6. Suspension: The Principal/Administrator may choose to implement in-school or out-of-school suspension for one to three days.

- a. The Principal/Administrator will hold a conference to include the student, parents, and the concerned teacher in order to define the problems and to warn of impending action unless immediate corrective action is forthcoming.
 - b. If consultation between the Principal/Administrator, parents, teacher, and student does not alter the student's attitude and correct behavior, the student will be assigned an in-school suspension. Next, the student may be given an out-of-school suspension. At this time the Principal/Administrator will hold a conference with the teacher, parents and student warning them that the next step is expulsion from the school.
 - c. A student given an out-of-school suspension from school will not be allowed to attend school for a determined period of time.
 - d. Each absence during a suspension is unexcused; however, all academic work must be made up.
 - e. Students completing their suspension will henceforth be placed on probation for a minimum of six weeks.
 - f. Probation gives the student an opportunity to correct a serious problem by correcting attitudes and behaviors.
 - g. When a teacher and Administrator observe that a student is headed for probation for other than a serious overt act worthy of immediate probation or suspension, a written precautionary discipline notice will be provided to parents.
7. Expulsion: If the student's attitude, behavior, or level of effort do not improve to a satisfactory level and it is inadvisable for the student to remain in the school, the student will be expelled from the school.
- a. The term of expulsion is for the remainder of the school year.
 - b. Expelled students may be allowed to re-enter school the following year if they have demonstrated a marked improvement in their attitudes and behavior.
8. Decisions regarding consequences such as Disciplinary Probation, Suspension, and Expulsion are the exclusive authority of the Principal/Administrator. A decision to administer any of the above would come only after one or more conferences with the student, the parents, and the teacher.
9. Reasons for Probation, Suspension, and/or Expulsion may include but are not limited to these:
- a. Insufficient academic progress, because of the student's deliberate refusal to make a conscientious effort to learn.
 - b. Continued and deliberate disobedience.
 - c. A rebellious spirit which is unchanged after counseling and prayer with the parents and teacher.

 - j. Physical violence against another student or a faculty/staff member.

Cheating may also include talking while testing, use of unauthorized test aids such as cell phones, smart phones, smart watches, iPads, iPods, audio/video recording devices, cameras, calculators, notes, or formulas. When cheating has been confirmed, the student's grade on that assignment, quiz or test will be zero.

H. STUDENT COMMITMENT

Christian Academy of Carrollton is committed to the teachings and principles clearly presented in the Bible and is dedicated to the glory of God. Such commitment dictates that there should be a direct relationship between what a Christian student believes and how he/she behaves. It is expected that you will always live in accordance with what our school represents and believes. Since the behavior of each and every student on and off campus directly affects the reputation of the individual student, their family, Christian Academy of Carrollton, and the Lord Jesus Christ, it is necessary to place strong emphasis on critically important behavioral standards. In particular, students at this school will not use alcohol, drugs, or tobacco; disrespect authority or property; possess weapons or any item giving the appearance of a weapon on school property or at any school activity; engage in improper sexual behavior; or speak or act in any obscene or profane way. Students will be expected to honor God and His Word, respect the United States of America, and show respect to all school personnel. Furthermore, students agree that faculty/staff, school administration, and/or the school board will employ discipline as they deem wise and necessary, and that disregard for these rules will result in disciplinary action including possible suspension or expulsion. This applies to school and non-school related activities where such unacceptable behavior would have an adverse effect on the testimony of the school, God, and His Word.

Students in grades 6-12 each year will sign the Student Commitment, indicating they understand the nature of the spiritual, behavioral, and academic standards of Christian Academy of Carrollton, and agree to be held accountable for any violations of these standards. Their signature further evidences their desire to be a member of the Christian Academy of Carrollton student body.

I. ANTI-BULLYING POLICY

Christian Academy of Carrollton seeks to educate students from a biblical perspective, which teaches us to love one another as Christ has loved us (1 John 4:11). Bullying does not reflect Christ-like love and respect, and all forms of bullying are prohibited.

Bullying is defined as an instance in which one or more people use power in a willful, deliberate manner, bringing repeated hurt or harm to another individual. It is a pattern of repeated behavior rather than a single act, targeted at a specific victim or victims. Bullying generally falls into one of four categories: physical, verbal, emotional/mental, and social.

- Physical: Use of body to harm another's body or personal property
- Verbal: Uses of words or threats to harm another person
- Emotional/Mental: Use of nonverbal harm to another's self-concept (i.e. ignoring, isolating, excluding).
- Social: Use of peer relationships to harm another's group acceptance

CAC personnel evaluate suspected cases of bullying to determine the frequency of occurrence and the evidence of intentional harm. The Principal/Administrator will investigate the report of bullying by talking with whoever reported the bullying, the teacher in charge, and whoever is suspected of bullying. After gathering information, the Principal/Administrator and teacher will determine an action plan to resolve the situation. Discipline will be administered depending on the nature of the offense, the frequency of commission, and the attitude of the student.

Bullying is a serious offense and will be treated as such. If the Principal/Administrator determines the action to be bullying, he/she will decide appropriate disciplinary action. Consequences may include parent meetings, detention, suspension, or expulsion, or any other punishment deemed necessary. Refer to the Discipline Progression. The Principal/Administrator or teacher will notify parents of both the accusing and the accused persons regarding the situation and the steps that will be taken for resolution. This may take place via phone, in person, or through a written report. School officials will then monitor the situation to ensure that resolution has occurred.

ADENDUM I.

CAC ASTHMA INHALER POLICY

- Asthma inhalers contain prescription medications that are breathed directly into the lungs to relieve or prevent asthma symptoms. They may contain a steroid medication that reduces airway inflammation or a bronchodilator medication that opens the airways. Some inhalers contain both. (Asthma and Allergy Foundation of America.)
- Long-acting inhalers are prescribed for everyday usage. They are prescribed for overall asthma control and should be administered at home prior to the school day. They must not be used for an asthma attack!
- Short-acting inhalers are prescribed for unexpected asthma attacks. They are used to rapidly counteract the constriction of the airways. (Side effects can be jitteriness and heart palpitations.)
- When a student has an inhaler, the school office must have a copy of the doctor's instructions. **THIS IS VERY IMPORTANT!** The doctor's instructions will be shared with the teachers in charge of the student.
- Under normal circumstances the inhaler will be stored in the office medicine cabinet. If the student is having an attack, the teacher is to immediately send them to the office with a buddy. The office will assist younger students or allow older students to follow the doctor's instructions as the medication is administered.
- Under extreme circumstances, with a doctor's instructions requiring these measures, the student may keep the inhaler on their person, preferably in their backpack.
- Without the doctor's instructions requiring these measures, a parent may request that the inhaler be kept with the teacher on a temporary basis, until they can present a note from their doctor indicating the need for personal possession of the inhaler.

Christian Academy of Carrollton, KY

SPECIAL NOTE

TO: Parents, Guardians, and School Employees
FROM: Larry Pender, Administrator and LEA Designee
SUBJECT: Asbestos Management Plan
July 1, 2023 – June 30, 2024 Academic School Year

This notice is posted to assure you that the Christian Academy of Carrollton follows both national and state regulations and laws relating to building materials which may contain asbestos that have been historically used in building construction in past years.

An inspection for building materials for asbestos has been completed for all school buildings owned, leased or otherwise occupied by Christian Academy of Carrollton. A certified inspector has conducted this inspection, and any material samples (if required) were evaluated by an accredited laboratory. Building materials containing as little as two percent (2%) asbestos or assumed positive have been identified and made part of an Asbestos Management Plan for Christian Academy of Carrollton. As a result of this inspection, no asbestos containing building materials were found to be present in our buildings.

A complete Asbestos Management Plan for Christian Academy of Carrollton is available for review at the Administrator's office during regular business hours.

We will continue to notify you at least once each year of the status of the Asbestos Management Plan. Should it become necessary, more frequent updates will be issued. Every precaution will continue to be utilized to protect the well-being of students and employees of Christian Academy of Carrollton.
