Charity Benefit Provision

Donate to your favourite causes

Financial decisions which help protect and enhance the lives of you and your family can now be extended to charitable giving. Your Term includes a Charity Benefit provision so you can donate to your favorite causes.

This contractual provision is automatically included at no additional cost and does not impact your death benefit.

When a claim is paid to the beneficiaries, Foresters will pay⁷ an additional 1% of the face amount to a registered charitable organization as designated by the owner. The payment is made as a donation in the name of the insured.

Example:

You purchase \$100,000 20-year term life insurance coverage. You name:

- a beneficiary (such as a spouse or child) for the death benefit amount
- a registered charitable organization for the Charity Benefit provision

When a claim is paid, the beneficiary or beneficiaries will receive the \$100,000 death benefit amount.

PLUS Foresters makes a \$1,000 payment to your designated registered charitable organization.

⁵ Insurability depends on the answers to a few medical and lifestyle questions and an underwriting review, based on underwriting requirements and guidelines.
