

## Newsletter – February 2021

### 2020 in Review

This is the first in a series of periodic newsletters we will be sending out to update the membership on club activities.

2020 was much different than other years due to COVID-19. And although we didn't have a Father's Day Car Show, we were able to have a few cruises at Friendly's. We also held the Charity Show and the Home Depot event, both of which were well attended.

In 2020, the club made charitable contributions of over \$10,000. Many of our check presentations were published in the Times Tribune. They are all published on our website [www.villacapricruisers.org](http://www.villacapricruisers.org).

Thank you to everyone who helped during this last show season!

### Nay Aug Park Secured for 2021

Joe Carra and other board members met with members of Scranton's Recreational Authority to secure Nay Aug Park for both the Father's Day and Charity Shows. Father's Day is June 20, and we are adding a rain date of June 27 in 2021. The Charity Show is scheduled for August 29.

### Membership Dues

Dues coverage dates have changed to a January to December cycle. Members who have not yet paid can do so by mailing a \$25 check payable to Villa Capri Cruisers CCI to PO Box 358, Dunmore PA 18512. You can also pay via PayPal using the DONATE link on the club website.

### 2021 Planning

We are in the process of securing sponsors for 2021. The Event Calendar is being prepared, however this year we won't be holding our traditional February calendar preparation meeting for clubs and organizations due to COVID-19. Instead, we mailed out the calendar event forms to these stakeholders. Also, we are extending the deadline for calendar event entries to March 15. Forms are available from Joe Carra and on our website. The board has been meeting monthly.

As you may know, only a handful of car-related events were held last year. We hope for a better 2021.
