Monday 14th April 2020

Dear Parents

Easter Update

Thank you for all your messages of support. Here are some updates that you might find useful. There have been some articles in the press suggesting schools will re-open soon we do not believe this to be the case and we received this email from the government last Thursday.

Schools to remain closed until further notice.

All early years settings, schools and further education providers will remain closed until further notice, except for children of critical workers and children who are vulnerable. We will only re-open settings when the scientific advice indicates it is safe to do so.

If there is any change to school opening we will let you know straight away by text.

Free School Meals

Paper vouchers were sent to all children who are entitled to free school meals during the first week of closure. Electronic voucher codes should come to you by this weekend for the start of the new term. We have also tried to apply for vouchers for the Easter Holidays but the website seems to be overloaded- we will keep trying.

Home Learning

The teachers have been busy preparing the next set of home learning. These are themed so children in different year groups will be studying the same theme each week with work appropriate for their age. The new packs will be going live ready for the start of the summer term on Monday 20th April.

Keep in touch

If you have any concerns please email admin@hempshillhall.nottingham.sch.uk

Please message your teacher on your year group email to let them know how you are getting on with the work, share any photos or just to say hello. Year 1 use year1@hempshillhall.nottingham.sch.uk For other year groups just change the number. For foundation use foundation1 or foundation2.

We will be phoning anyone who hasn't been in contact next week just to check everything is okay.

Take care everyone

Best wishes

Karen Gregg

Joint Head teacher
