Dear Robert

How nice it was to find your letter in the mailbox!
The letter to Hannah is such a clever way to
tell the family history.

Hannah Leatherwood is my great, great, great great grand-
mother. My information shows that Hannah and
Edward Gaither Hyatt had a son, Shadrack.

Shadrack married Rhoda Hill and they had a son,
Abednago.

Abednago married Lucinda Tipton and they had a
daughter, Laura Ann.

Laura Ann married George Washington Johnson
and they had a daughter, Bessie Marie.

Bessie Marie married William Leroy Barribeau,
and they had Barbara Ann.

Barbara Ann married Richard William Schriener
(birth name Crevier) and they had me!

I'm thrilled to learn from your letter that we are
cousins. You are correct, mother would have loved
reading it, I did too.

Please stay in touch. I would like to be
informed of Hyatt activities.

The Sandy Creek Weavers brochure is on my bulletin
board and whenever I see it, I have such fond memories
of my last trip with mother to visit you and Emily.
How bittersweet for us both.

Best Regards,
Karen
