Listed pricing is a general guideline and not a formal estimate. Pricing is for single coat, in-stock House (Cardinal) colors. Items that require additional prep, cleaning, delicate or special handling, taping, masking, stripping, sandblasting and specialty colors will incur additional cost. Customer is responsible for the removal of all bearings, plastic, rubber and non powder coat able items. All items must be able to withstand 450 degrees. We do not powder coat magnesium. A deposit of 50% is required for all custom ordered colors. Off gassing, hang marks, pin holes and coverage issues may occur. It is Elegant Iron's goal to provide the highest quality in powder coating. All items are to be inspected, approved and paid for by customer prior to pick up. Orders over \$500 may qualify for free pick up and delivery. Minimum order \$75. Minimum Charge of \$45 a color.
