The WOODLANDS Golf Course

9 Woodland Road, Hampton, VA

A favorite with locals, The Woodlands offers an excellent test of shot making, can always be counted on to be in great condition and provides fun for everyone of all ages.

The Woodlands is an 18-hole, par 69, 5,400-yard golf course with Bentgrass greens and Bermuda fairways and rough. Water comes into play on 11 of the holes and the 52 sand bunkers create surprising challenges on this sometimes underestimated golf course.
