The Activities Group

By Kim Whitehead

This year has been a tough one for our Activities Group. It takes volunteers and time to sponsor group activities. If you enjoy the activities and would like to be more involved, please contact Dene Greer at 208-850-9240. She is looking for volunteers to Host games. This would include being responsible for the schedule of the game (of your choice), setting up the game and putting everything away when done. You can also schedule a pot luck dinner in the Pavilion for park

residents. Please extend a big thank you to Diana Lannom for volunteering to be the acting Chairwoman and to Judy Larson for volunteering to clean up and organize the library. The library looks great. All volunteers are welcome and very much appreciated. If you would like to volunteer, you can reach Diana at 208-365-8633.

In the Spotlight

by Kim Whitehead

This month no one submitted a name for "In the Spotlight." If you know of anyone that should be featured in this section please send a picture and a little information about why they should be featured. It is important to recognize those in our park who volunteer or go out of their way to do something for everyone. People who are

featured in this part of the newsletter must be nominated by another Leisuretime Member. If I receive more than one nomination who should be featured, I will hold onto them for the next newsletter.

Don't forget to send your nominee to

ltrvcascade@gmail.com

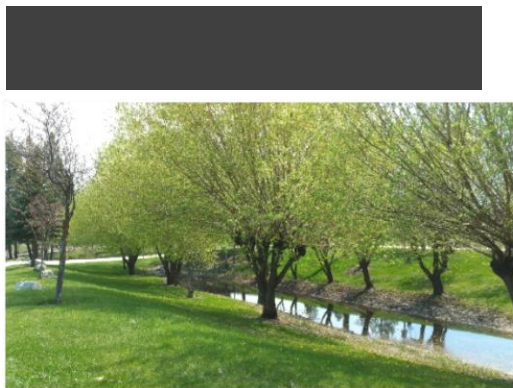

THOUGHT OF THE DAY

**Wouldn't it be so great
if we could put
ourselves in
the dryer
for 10
minutes
and come
out wrinkle free...
and three sizes smaller?**

Ron Bubb's Bench

by Kim Whitehead

When putting out the benches along the pond pathway we dropped by Fred and Mary Ann's place to chat for a moment. While doing this Fred saw the bench for Ron Bubb and volunteered to restrain it and fix it up. The bench is back to being beautiful again. If you haven't seen it, take a walk along the ponds. It is worth it and don't forget to tell Fred McKennon thanks for sprucing it up.

WEBSITE - INFORMATION TAB

BY KIM WHITEHEAD

If you take a look at our website, you will find an information tab. This area gives access to our CC&R's, By-laws and many more items. Just recently a tab was added to show everyone some of the improvements that were made this year. This sheet was given out at the annual meeting but unfortunately we ran out. For anyone who didn't get to see what was done. You can take a look.

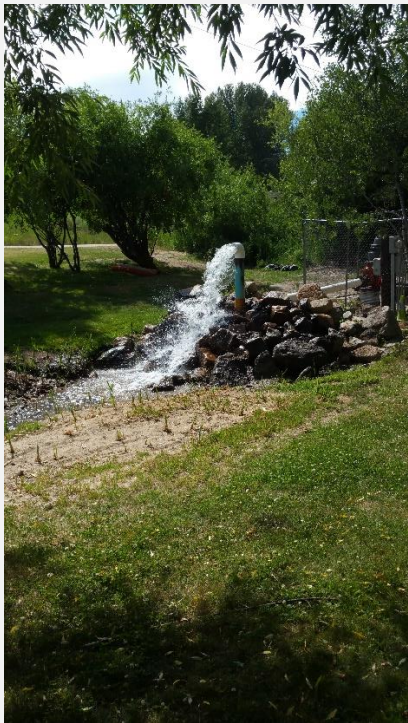

Photo to the left is Molly one of the cutest residents in our park who I got the pleasure of getting to meet this summer.

These photos are of the pond pump area prior to the finished results. What an improvement the landscaping has made. If you haven't taken the time to check it out, do so.

Dumpsters

As many of you are aware we have dumpsters in the park for our residents. Please remember that these dumpsters are being used by many people. When cleaning up lots yard debris should not be put in our dumpsters. This fills them up too fast and we end up with a mess. Please keep our park looking good. If we don't have a dumpster available for yard debris,

You will need to haul it out yourself. We are working on getting a large dumpster to be used specifically for yard debris. Once this dumpster is in, please remember that it will be for yard debris only.

Thank you

Editor's Note

Due to the fact my husband and I have been swamped with trying to clean up our rental home in Boise, I haven't had the time I would like to have getting the newsletter together for August. So this month you will find that the Editor's note has a few extra pictures. I apologize for this but I don't want to delay getting the newsletter out since we have lots of information on the Activities Group. Hopefully in a couple of weeks we will have everything completed and my life will get back too normal. (Or at least what I consider to be normal).

I hope everyone has a wonderful August.
