Dr. Lou Moore Meeting – Claire & Peggy meeting w/Lou this upcoming week. We have confirmation Red Bank RiverCenter has chosen RBRHS as one of this year's beneficiaries of the International Beer Wine & Food Festival to be held April 22nd. RiverCenter specifically wants its donation earmarked to internet initiatives/internet technologies. BBF will require no grant application to make this donation to the school to honor Donor's request.

Suicide Prevention Walk – Rumson Fair-Haven will be hosting this walk in April with RBR participating. We have been asked by the Senior Class President to provide a 50/50 license. We will advise BBF will help with marketing and promoting the event but cannot provide license since it is not a BBF or RBRHS sponsored event.

2018-19 BBF School Year – discussion was had about Board succession. Looking for anyone willing to lend any talent they may have. Does not have to be a board position.
