BOCCE TOURNAMENT WRAP

Big kudos to our sixteen Bocce Teams and to Laurie Tappel (with the assistance of Julie Hawk on tournament day) for all of her efforts organizing and setting up our first (maybe even annual) bocce tournament on the KYC lawn. It was delightful to see so many (young and somewhat young) folks enjoying a gorgeous day at Keuka Lake. It was a perfect ending to summer and good for our bar inventory reduction!!! Special thanks to John G. Ryan Distributing for donating some nice prizes! A total of \$310 was raised for Junior Sailing.

There were four rounds of play (under KYC bocce rules). The Tappel/Barnes team won over the V. Bender team, Brown team, and Steve Bender team on their way to the finals. The Penwardens enjoyed victories over the B&B team, Hamilton team, and a close match with the Asheline team to reach the finals. It was the Penwardens taking first place in a close match against Tappel/Barnes in the finals. Asheline placed third (taking home all the Halloween candy as a prize).

A NOTE FROM HOUSE AND SOCIAL

We are officially closed for the summer!

It is always a sad day when we end another summer on beautiful Keuka Lake.

A big thank you to all of you for embracing our "Covid Changes" this summer. Special thanks to Jane Russell, Steve Stopka, and Tyler LaCroix for their hard work in the kitchen. We heard several times our food was "best on the lake." Finally, a big thank you to Cara Bender, our steward, for all of her efforts in keeping our club clean and serving up our favorite beverages.

Please send submissions and email address updates to kycbilgepump@gmail.com

ROAD CLOSURES

There is some road work being done on Rt. 54A. Look for posted detours using County Routes 76 and 74. A new retaining wall is being installed near house #8662 (south of the Club closer to Hammondsport) which requires a detour for approximately 60 days.

RACING RESULTS

Finally some decent wind (mostly) for racing this weekend. For just the second time this summer, the MCs finished four races on Saturday. Both the Es and Lightnings enjoyed a heavier breeze on Sunday morning for their races.

\$100 CHALLENGE

For the past four years at KYC, anyone who could get Margo Brown to *voluntarily* go for a sailboat ride would receive the offer from John Brown.

A week ago this past Wednesday Roe Hemenway, master sailor, accomplished the "Mission Impossible." Margo loved the ride in his Ideal 18, recently purchased from Deb Koop, who is also a master sailor.

A ROSE BY ANY OTHER NAME....

Bob Cole relates the backstory to the name of his E-scow this week; "Back in 2012, with a history of sailing quite a few used boats over the years, Marie and I agreed to bring in a new boat. We (I) thought this one would last through our sailing careers and we wouldn't need another boat. So we named the boat **Finale**. This name appeals to the musician in me. So far so good. My brother asked, if we were to weaken and have another new boat, would we name such a boat "Last Boat II"? We did buy another E boat though, to use in Florida. Keeping the musical theme, this other boat is named **Encore**."

FOR SALE!

Three full size used tables with six chairs and cushions per table. Some wear and rust. Only \$150.00/set.

Proceeds will be put towards *four* new sets of tables and chairs for the concrete skirting. We are hoping to purchase something that is easier to spray down for cleaning/sanitizing.
