## **Range Rules**

- Practice all gun safety rules.
- No Exploding Targets.
- Eye & ear protection required.
- No alcohol on ranges while any shooting is in progress.
- Being under the influence of drugs or alcohol while shooting is prohibited.
- All ranges are closed to other shooters while an organized shooting event is in progress.
- Clean up all brass/casings and targets. Leave the range as clean or cleaner than you found it.
- Only members can use the ranges. Guest(s) may accompany a member to the range only once. After that one time, guest(s) must become a member.
- Handguns only on the pistol range.
- Proof of membership is required when using any of the ranges.

## Violation of Rules

• Any unsafe practices or any violation of club rules will be brought before the club's officers, directors and/or membership for disciplinary action.

## TRESPASSERS WILL BE PROSECUTED!
