PLANETARIUM AND RETZER NATURE CENTER FIELD TRIP

May 23rd

Our spring fieldtrip will be to the Planetarium at Retzer Nature Center for a show entitled "The Skies over Mr. Rogers Neighborhood" followed by a nature hike scavenger hunt (weather permitting). We will be leaving Bethlehem at 9:15 on **Tuesday, May 23rd** to arrive in time for our show. We should be back to school around 12:00. We will be caravanning, like we did for the farm fieldtrip. Permissions slips will be coming home soon. Parents are more than welcome to join us! However, this may be a difficult trip siblings younger than 3 due to the nature of the activities.

Please note: 4K class will dismiss upon our return – no lunch that day unless your child is staying at school for After School Care.

Spring All School Program

We will have our Spring program on **Thursday, May 18th** at 6:30 p.m. This program will run in a similar format to the Christmas program. Following the children's performance, there will be a slide show of memories from the year and refreshments and celebration in the fellowship hall.

Your child will need to be brought to the After School classroom at 6:20 p.m. so we can get them lined up for the show.

Upcoming Events

May 3 & 4

3K Parent/Teacher Conferences
(No 3K Classes)

May 15

No School – KM District Day Off

May 18

Spring All School Program
6:30 p.m.

Last Day of Classes

3K Parent/Teacher Conferences

Our second 3K Parent/Teacher conferences will be Wednesday and Thursday, May 3rd and 4th. There are no classes or Before/After School care that day for 3K students. Watch for a sign up link to come home soon. Thank you!

Registration for 2017 – 2018

Please remember to tell friends and family that registration is going on now! We still have space available for 3K and 4K students, but some classes are filling. Please let me know if you, or any family/friends have questions or want to observe a class in action! We encourage visitors, it's the best way to see how each classroom feels since they are all unique!
