Dear [Sponsor Name],

Please join us Saturday, March 11, 2017 for our **Great Gatsby Gala**, Education for the Children's (EFC) annual Spring Fundraiser held at the beautifully updated Coto de Caza Golf and Racquet Club. We encourage you to support us with a sponsorship and/or a Live or Silent Auction item.

Our EFC mission is to build a relationship between local public schools and the community to raise money to supplement the educational resources in the classrooms. This past year, with the generous support of businesses like yours, over \$80,000 was granted to our schools to provide much needed supplies to enhance the learning environment. Many of this year's projects were the first of their kind in keeping up with the progression of technology. Following is a sampling of what each school received:

- **Tesoro High School** – STEM Probes- a program that will incorporate technology with data gathering and analysis, iPads for Choir and Special Education classes, Audio and Video recording equipment for TV Broadcast and Journalism class, digital recording equipment for Instrumental Music.
- **Las Flores Elementary School** – Document cameras and projectors, iPad Airs, Social Studies library, Portable Picture Paper
- **Las Flores Middle School**- Desktop computers for the library, a Chromebooks cart, document cameras and projectors, Digital Microscope Camera lab, class set of scientific calculators, and a saxophone
- **Tijeras Creek Elementary School** – iTVs, iPads and iPad cases for various classrooms
- **Arroyo Vista Middle School** – Mobile Chromebooks lab, refurbished teacher laptops, Math and Science instructional iPads, iPads for several grades
- **Wagon Wheel Elementary School** – Classroom iPads, 45 abacuses with supporting materials, document cameras and projectors

Although the State's budget allocation for education has seen an increase this year, our schools continue to need the help of community leaders to supplement our classrooms. Your involvement in helping to fund programs and equipment in an effort to improve the educational process is priceless.

We look forward to forging ahead and working together as part of the solution to this great need. I will be in contact with you soon. In the meantime, if you have any questions, comments or concerns, please contact me at [Board Member Email] or [Board Member Phone].

Thank you for your consideration and participation. I have included our sponsorship opportunities with this letter for both for the Spring Event, and year-round choices. Look forward to seeing you March 11!

With Appreciation,

[Board Member]
