What Has Been Happening in the Pond?

This month we worked on keeping our hands to ourselves and saying please and thank you.

Miss Christena and I read at least 3 to 4 books a day to our ducks. Many of our ducklings are now picking out their own book and sitting down to look at the pictures and take a picture walk through the books. It is so exciting to watch the growth.

Our ducks are continuing to work on colors, numbers and shapes. They have also been working on nursery rhymes. Our favorites are: Twinkle, Twinkle Little Star and Ring Around the Rosey.

By the middle of August you will be getting a letter letting you know which class your child will attend next" year". August 26 will be the first day in their 'new' class.
