Dear Business Supporter of the USVHS,

It's time to begin planning our 4th of July Celebration in Condon! As many of you may know, the USVHS publishes a July 4th Program and Business Directory that features businesses from Seeley-Swan and Blackfoot Valleys. We print 600+ programs; a portion of which are mailed to our members prior to the 4th of July Celebration. Additional programs are placed in area businesses for tourists and community members to use as a reference throughout the year.

To be included in this year's program, please remit the form below and send us your business card.

We look forward to including your ad in our 2019 Program and Business Directory!
