Discussion

–President, Susana Hersel welcomed everyone to the meeting as well as our guest Dr. Schindewolf

– Mrs. Coleman was introduced and the Bond Election was presented. The ISD has had a 4500 student growth and the proposal is for a new Elementary, Jr. High and to add to TMHS. We have over 16,000 students for 2017-2018. Additional projects would be to add additional technology, a swim training facility at or near TMHS and an Agricultural Project Barn at THS. The Fine Arts Auditorium would undergo Renovations @ THS plus new Band Equipment. Additional Renovations would be redesigning the front of Tomball Intermediate and improve the turf at both HS baseball and softball fields. The Athletic Facilities would include a new district stadium that would accommodate 10,000 spectators and parking for 3,000. The \$275 Million Bond call on 8/15/17 would have no tax rate impact on the community and would remain at \$1.34. The election is on November 7th.

Committee Updates:

Special Committee: Sock Drive donated 2500 pairs of socks to St. Anne's Catholic Church in Tomball.

Yearbook – Katje McCabe: An Announcement will be written for the next newsletter to let parents know how to submit pictures and when ordering will take place.
