## From the President's Desk:

This time of year there is more range use as people get ready for hunting season. Please be courteous to other members and be very careful. Read and follow the range rules. Be especially careful with muzzle direction. All rounds must impact into the berms at the end of each range. They may not go into the grass or over the berms.

If you do your Christmas shopping online and use Amazon be sure to use [www.smile.amazon.com/ch/23-2047305](http://www.smile.amazon.com/ch/23-2047305) or got to smile.amazon and search York Izaak Walton #67, and sign up to use it. You'll get the same great prices, and fast service you always get from Amazon, but the club gets 0.5% of the purchase price on eligible items. You can still use Prime if you have it too. We're not getting rich off this, but every penny counts, and if more members used it...

We will be having another club work detail on Sunday, November 20th from 1:00 to 4:00. We've really been getting a lot done at these events, and we have some fun too. Try to get out to help us if you can. I'm not sure what we'll be doing but bring gloves and tools that might be useful and wear old clothes and boots. As usual we'll be giving door prizes to participants by random draw.

Please do not shoot broadheads on the bag targets in the walk-through archery course. We just replaced the target bags and broadheads of any type destroy them quickly. Practice points only. There is now a block target at station number 1 on the walk-through course that you may shoot broadheads into.

The last orientation of the year will be December 3rd at 1:00pm. It is a requirement for those who want to join our club, but everyone is invited. You may find it interesting and informative.

We have been auctioning off member-donated items at the chapter meetings and it has been both entertaining and profitable for the club. Come to the chapter meeting and bring some extra cash. You never know what kind of bargain you'll get. We already have a few items for the November meeting, but if you have any kind of outdoor activity gear lying around get it to us and we'll use it when we can. We've been doing 5 or 6 items per meeting. It's short, but interesting. The club keeps 100% of the proceeds. We made about \$300 in the last two months, and some members really got some nice deals.
