ABOUT THE SPEAKER

ROBERT A. MILLER, DMD

Having earned his B.S. degree in Zoology from the Clemson University in 1979, Dr. Miller went on to receive his DMD degree in 1983 from The Medical University of South Carolina. After dental school, Dr. Miller completed an orthodontic residency at the Medical College of Virginia in 1985. After completing his orthodontic residency, Dr. Miller served proudly in the USAF where he was Chief of Orthodontics at Clark Air Base in the Philippines for three years. Dr. Miller began practicing in Culpeper Virginia in 1988 and became a Diplomate of the American Board of Orthodontics in 1992. Dr. Miller is a past president of the Virginia Association of Orthodontists. He is a pioneer in the area of orthopedic correctors, having developed the Flip Lock™ Herbst device in the early 1990's. More recently, he assisted Dr. Duncan Higgins, the inventor of the Crossbow™ device, to broaden its use as an efficient overbite corrector and our most state of the art device used just before braces. More recently, Dr. Miller assisted in the development of the Esprit™ spring and now lectures worldwide on this latest, technologically advanced Class II corrector.

Dr. Miller and his wife Juliana, also an orthodontist, completed the 2 year McLaughlin comprehensive course. He will share with the audience some of the pearls he gained from those two years.

Also Dr. Miller has recently begun developing a social branding based form of internal marketing, by harnessing the power of Facebook, Pinterest, WordPress and IFTTT. On Sunday the areas of social branding will be explored.

Dr. Miller is the author of numerous professional publications in orthodontics. He holds membership in the American Association of Orthodontists, the World Orthodontic Federation, the Southern Association of Orthodontists, Virginia Association of Orthodontists, American Dental Association, Virginia Dental Association, and the Northern Virginia Dental Society, and he is the Leader of the Spear Study Club of Northern Virginia. He is also a member of the Northern Virginia Orthodontic Study Club. More recently, Dr. Miller joined The Angle Society North Atlantic component after presenting original research to fellow members in Barcelona, Spain in March of 2012 <http://anglenorthatlantic.org/>. His research was later published in *The Angle Orthodontist* May 2013.
