- 24 Hour Access to The ASC Area
- Tutors Available During Evening Hours Sunday-Thursday

The ASC is designed with students' academic performance and future success in mind. Some students seek assistance in a particularly tough class, while others receive that extra support to go from an A- to an A+. Tutoring is just one of the many services provided by The **ACADEMIC SUCCESS CENTER**. Strengthening study skills, assistance with homework assignments, career planning, resume critiques, and mock interviews are just a few of the other resources available at The ASC. It's your one-stop center for academic and career assistance in a welcoming and comfortable environment.

"I definitely got a higher grade in chemistry because of the help I got in The ASC."

- Austin, Chemistry Major

"I'm really appreciative of all the stuff you guys do in The ASC, it's helped. You guys make it a lot easier to be a student here."

- Ryan, Class of 2012

"The last paper you helped me with, I got a 100%. The professor said he's going to use it with the rest of the class as an example. He said it was 'perfect'."

- Rachit, Mechanical Engineering Major

"Thanks Dr. McGill for your help in tailoring my resume, it got me the exact internship I wanted."

- Madison, Economics and Industrial Engineering Majors
