

Morris Plains Police Department's "Share the Cam" program

The Morris Plains Police Department is excited to announce a new surveillance camera registration program called "Share the Cam". The goal, like many other Municipalities in Morris County, is to create a safer community through a partnership with our business owners and residents. This program is **voluntary** and your information will be strictly for the use of the Morris Plains Police Department. We will never share your information with anyone else.

We recognize that many residents and business owners are investing in video surveillance camera systems to monitor their homes and / or business. So why not share that sense of security with our patrols officers and detectives. Simply by registering your camera system with our Police Department, you are assisting our officers with easily identifying any camera systems that may or may not have captured criminal activity or those responsible for it in **your neighborhood**. The decision to allow a member of the Morris Plains Police Department to view your security camera footage or to provide a copy of the footage to the Department is entirely up to you. You will never be required to provide any footage by registering your security camera system but, the "peace of mind" knowing you helped with possibly identifying the person(s) in **your neighborhood** should be satisfying enough.

If there is an incident in your neighborhood that may have been captured on your security camera system, you will be contacted by a member of the Morris Plains Police Department and asked to allow us to view the footage in an attempt to identify any investigative leads. Registering your camera system with our Police Department **DOES NOT** provide us direct remote access with your system. If it is determined that the footage from your surveillance camera system is of any evidential value, you will be asked to provide a copy of the footage to the Morris Plains Police Department for investigating purposes and / or we can assist you with obtaining the copy.

YOU CAN HELP US KEEP MORRIS PLAINS A SAFE COMMUNITY!
