No August Meeting!

IT'S PICNIC TIME!!

Yes, it's time for our annual picnic. We are fortunate, again, to have this special event at Annette and Harvey Singleton's home, **15028 N. Little Spokane Dr. Spokane 99208**

Mark your calendars: **Sunday, August 6, 1-?? pm.**

This will be a POT LUCK, so bring your favorite food: main dish, dessert, or salad. SOS will provide drinks, and we'll have a grill, so if you want "burgers" or "dogs" bring them too.

PLEASE BRING EXTRA CHAIRS!

Events: **ORCHID SWAP - ORCHIDS FOR SALE - GIVE AWAYS** So if you have any orchids that you are fed up with, board with, frustrated with or you have a million of the same plant, bring them to the picnic and trade them out for a new baby to try.

(see map to Singleton's at end of newsletter)

PRESIDENT'S THOUGHTS

Just a couple of additional thoughts:

The Great Divide Orchid Society Show and Sale will be held just after our fair. We will be bringing orchids to their show, so if you have orchids to present, get them ready.

Thanks to all who have involved themselves in the operation of the Society. It is this voluntary involvement which makes our society the best in the northwest!!

Jim

LET'S SHOW OTHERS WHAT WE CAN DO!

Bring your blooming orchids to the Fair on Thursday morning during setup. If you can't make it then, contact

Joan or LaDonna (509/844-3414), and either will make arrangements to get your orchids there.

You can pick up your orchids during TAKEDOWN, or we will pick them up and get them to you.

Please put your name on a tag in your plants or on the bottom of your pots.

SOS PICNIC DIRECTIONS

Harvey says that if you are coming from Hwy 395, go 1 mile east on Little Spokane River Drive, turn right onto the long driveway immediately after passing a wrought iron and brick pillar fence that goes along the road.

When on the driveway go to the end and past the first house.
