

*Stacy grew up near Rockford, Illinois, and lived there until attending Pensacola Christian College, graduating with a major in Business Administration and a minor in Bible in 1991. He served as an administrator in Christian education from 1991-1995 and then worked in the personal finance and banking industries until 2008. During his years of secular employment, he stayed active in the Christian educational ministries of our local church, Gospel Light Baptist Church, Salisbury, North Carolina, until the Lord called him back into the ministry in June of 2006. As we prayed for God's clear direction, he began preaching at nursing homes, prisons, and our church, and it was while we were on a mission trip to Peru in 2007 that the Lord called us to be missionaries. Stacy was ordained in December 2007 and earned his master's degree in education from Carolina University in 2022. He is currently pursuing his doctorate in Intercultural Studies through Columbia International University*

*Since arriving in Peru in 2011, we founded the New Life Christian School in 2015, Gospel Light Ministries in 2015, and the Iglesia Bautista Luz del Evangelio in Manchay in 2016. In addition to pastoring the church in Manchay, we oversee a homeschool ministry for Peruvian children; teach weekly Bible institute, seminary, and discipleship courses; hold marriage and family conferences throughout the country; and train local church leadership in Pucallpa. In 2020, we also founded Gospel Light GLM International as a non-profit organization to help us acquire capital-project donations.*
