

WANT TO JOIN A CLUB

The Garden Club Federation of Pennsylvania (GCFP) is part of the National Garden Club, Inc. (NGC) and the Central Atlantic Region of State Garden Clubs, Inc. (CAR-SGC).

There are many benefits to belonging to a local federated garden club. Becoming a part of the Garden Club Federation of Pennsylvania allows you to share with others the same interests such as; gardening, civic beautification, floral design, conservations of natural resources and environmental and legislative issues.

Members can take advantage of the excellent educational opportunities offered by the NGC, sponsored by the GCFP. The schools are: Flower Show, Landscape Design, Gardening and Environmental.

Club members can participate in regular district meetings, district events, and the Annual GCFP, NGC and CAR-SCG Conventions and Conferences.

Seed Money Grants are available to undertake new civic beautification projects, and there are a number of National, Regional and State Educational Scholarships awarded each year.

These are **just a few** of the benefits that the organization has to offer.

The GCFP goes far beyond our backyards!
