**IMPORTANT INSTRUCTIONS REGARDING A NON-CRIMINAL TRAFFIC INFRACTION NOT REQUIRING A COURT APPEARANCE**

If you were charged with a non-criminal traffic violation, you must complete the following within 30 calendar days of the date of citation. If you fail to do so within 30 calendar days, your driving privilege will be suspended until you complete the requirements. For more information, see the front of the citation for the District Clerk of Court in the county where the violation occurred.

**Option 1:** You may pay the civil penalty listed on the front of the citation to the Clerk of Court. You must include a check or cash payment that is payable to the District Clerk of Court. The clerk does not accept personal checks. Payment of the civil penalty is considered a conviction and points will be assessed, if applicable. Proof of compliance in the form of driver license or registration certificate, whichever is applicable, is required. In addition to payment, you are also required to show proof of compliance to the Clerk of Court in the form of a valid driver license or registration certificate, whichever is applicable. You will be required to complete a driver improvement course if you are convicted of running a red light or passing a school bus. Your driving privilege will be suspended if you are convicted of not showing proof of insurance. Accumulation of points may increase the cost of your insurance.

**Option 2:** If you were cited for expired driver license, expired registration, or failure to possess a valid registration or no proof of insurance, you may show proof to the Clerk of Court that you had a valid driver license, registration, or proof of insurance at the time of the offense. The charge will be dismissed upon payment of a civil penalty.

**Option 3:** If you do not hold a commercial driver license and possess a Florida driver license, a valid driver license, a valid registration, or no proof of insurance, you may elect to show proof of compliance to the Clerk of Court in the form of a valid driver license, registration, or proof of insurance, whichever is applicable. You may only make one such election per 12 month period and no more than three elections in a lifetime. You must pay court costs and adjudication will be withheld.

**Option 4:** If you do not hold a commercial driver license, you may be eligible to elect to complete a Florida driver improvement course. You must contact the Clerk of Court to make this election. You may make only one such election per 12 month period and no more than three elections in a lifetime. Please visit [www.fhsmv.gov](http://www.fhsmv.gov) for a list of approved courses and to determine your eligibility for this election. Adjudication will be withheld and points will not be assessed. You must pay a civil penalty, end court costs. This option is not available for certain traffic offenses including driver license tag and registration violations. Completion of a driver improvement course is required if you are cited for running a red light/traffic control device, even if you do not make this election.

**Option 5:** You may elect a court hearing by contacting the Clerk of Court. If you request a hearing and the County Judge/Judge/legislator/Hearing Officer determines that you have committed the offense, the County Judge/Judge/legislator/Hearing Officer may impose a penalty of up to \$500 for \$1,000 if a felony occurred) and/or require completion of a driver improvement course. Points may be assessed if the determined that a conviction has been committed. A civil penalty will be imposed.

**Option 6:** If you were cited with a non-criminal violation of operating a motor vehicle in an unsafe condition (§ 316.010 F.S.) or not properly equipped to 316.010 F.S. or s 316.2945 F.S.) you may have the default conviction that is assessed for this violation removed from your record if you complete a certain number of hours of driver improvement. You must pay the civil penalty assessed by the agency. You may elect to complete a driver improvement course if you are cited for running a red light/traffic control device, even if you do not make this election. This option does not apply to a commercial motor vehicle or a trailer used in a governmental entity.
