'Thus saith YHVH, 'The Heaven is my Throne, and the Earth is my Footstool: where is the House that ye build unto Me? And where is the place of My Rest?' –Isaiah 66

The purpose of this study is to compare the Sacred Dimension of the Temple and Temple Mount to the Ark of the Covenant itself. It would appear that the Temple Mount is a Macrocosm of the Ark of the Covenant. The study will also Examine the possible Political Climate that will allow for the Reconstitution of the 3rd Temple on the Temple Mount. It is not a matter of if, but when.

Some believe that the Oslo Accords that was formulated since the 1990s will formalize the Relationship to provide the Political and Religious 'Solution' to the Arab-Israeli-Muslim Contention over the Temple Mount. Such a 'Confirming of the Covenant', that being the Oslo Accords, or a similar one, might stipulate, that part of the Agreement will allow for the rebuilding of the 3rd Temple of YHVH. Based on Sacred Geometry and Ley-Lines, the Dome of the Rock does not need to be Dismantled or Altered in any form to accommodate the 3rd Temple.

Based on the Phi Ratio Proportions of the Temple Mount Platform presented in this study, it is strongly suggested that it would appear, that the Real Location of the Holy of Holies is pinpointed at the place of the Dome of the Tablets or Spirits. The accompanied Chart illustrates the 3 Main Points related to the 3rd Temple and the Ark of the Covenant Dimensions. Mathematically, the Temple Mount Platform is in an approximation to the phi ratio proportions from the Dome of the Tablets (Spirits) to the Dome of the Rock, and the Al-Aqsa Mosque start of the building. The Temple Mount Platform approximates the proportion to the measurement of the Ark of the Covenant itself.

This study suggests that the Main Structures of the platform, the 3 'Domes' Mirror the 3 Articles contained within the Ark of the Covenant, Moses was instructed to build by the LORD GOD YHVH. The 3 Articles contained in the Ark were the Copy of the 10 Commandments or 'Tablets', the Jar of Manna, and the Almond Tree Staff of Aaron that Budded. If a Comparison to each is made, all the 3 items of the Ark correlate to the 3 Structures on the Temple Mount, as the illustration will show. If indeed the Holy of Holies corresponds to the Dome of the Tables (Spirits), there will be enough Room to Accommodate the 3rd Temple. That might be part of the final 'Confirming' of the Covenant between the 'Many' and the State of Israel.

A Metaphorical Comparison

This Event, one Conjectures is Linked to the 70th Year Anniversary in 2018 of Israel's independence since 1948. If the Phi Ratio Spiral is overlaid to both the Temple Mount platform and the Ark of the Covenant from a Top View perspective, there is almost an exact match. In terms of the Temple Mount Platform, the Phi Ratio Spiral directly correlates to the Dome of the Tablets (Spirits). Thus, the Dome of the Tablets could very well be where the Holy of Holies is situated at. This specific Place is where the 'Tablets' rested within the Ark of the Covenant. The Ark contained the very Tablets of the Law of YHVH that Moses made after he broke the 1st ones made by YHVH.

These Tablets of the Law were a Copy of the Originals made by the literal Finger of YHVH that Moses shattered upon the People during the Golden Calf Incident at Mount Sinai. What is most significant about this Spot, is that it was where the Glory of the Presence appeared above the Mercy Seat. This Presence of YHVH transcended Space and Time, at this only Place on Earth. It pierced and bridged the Dimensions of the Heavenly with the Earthy. The Ark of the Covenant depicted is of the conceptually arranged by Ron Wyatt, upon his claim of being a First-Hand Eye-Witness during one of his Archeological Digs in the Old City of Jerusalem under Mount Calvary.

The Dimensions of the Ark of the Covenant in Inches are, 52"×31"×31". Astonishingly, the Width and Length of the Temple Mount is a Fractal of these Numbers. The Length of the Platform is 520 Yards, and the Width is 310 Yards by some Estimates. What these Comparisons are also stipulating, is that the whole Temple Mount Platform Complex could be seen as one Giant 'Ark' or Throne or perhaps a 'Footstool', as is the case that often one puts up one's Feet on top of a Chair, etc. This is where the verse in Isaiah 66 and others may have a New Perspective.

To reiterate, the Dimensions of the Ark of the Covenant אָרוֹן הַבְּרִית Approximates the Dimensions of the Temple Mount Platform, with an Overlay of the phi ratio spiral for good measure. If this Typology is consistent, then the 3 Main Articles contained within the Ark of the Covenant could be seen as directly relating to the 3 main structures on the platform as well, Metaphorically. As a Theological Comparison.

The Dome of the Rock is so named because of the Foundation Stone that protrudes out of Mount Moriah. But it was at its Pinnacle at Mount Calvary where Abraham attempted to offer Isaac as a sacrifice. Each Dome on the Temple Mount also correlates to a Color. Interestingly, the 'Rock' is round like that of the Manna, presumably and the Dome itself is like that of a 'Jar'. This Length would also be able to fit inside the Ark of the Covenant. If the Staff was that of a shepherd's type for example, it most likely would have been longer and thus the Staff in the Ark of the Covenant would have been a portion of it.

1) Dome of 'Tablets' (Spirits) - White - Stars

The Dome of the Tablets or also known as the Dome of the Spirits corresponds to the Tablets of Moses, the 10 Commandments. This is where the Moral Law of YHVH, the GOD of the Universe was set down to Govern the Affairs between the Creator and Mankind and amongst Mankind.

2) Dome of Rock - Gold - Sun

The Dome of the Rock corresponds to the Jar that contained Manna. YHVH instructed Moses to take a Sample of the 'Heavenly Bread' into the Ark as a Witness of YHVH's Miraculous Provision during the Wilderness Journey of the Israelites to the Promised Land. What is also Miraculous is that the Manna endured and did not Decompose as it did in the Wilderness.

3) Al-Aqsa Mosque - Silver - Moon

The Almond Staff of Aaron can thus, also Allude to the Orion 3 Belt Star Alignment. The 3 Structures or 'Domes' can also be corresponding to this HEAVENLY ALIGNMENT as other Charts show, entitled 'The Gates of Orion'. The Staff would have been part of the Rod or a Walking Stick that could have been 27" in Length, enough to use as a Cane; assuming that the average height of men in that Era was around 5 feet.

It is also interesting, that from the al-Aqsa Mosque to the Dome of the Rock is the longest span of distance between the 3 Domes. It is also interesting that the Nave, as the al-Aqsa was actually a Church 1st and it starts the Orion 3-Belt Star Alignment Configuration from its Fountain in front of Building, not the Dome itself. Thus, applying Sacred Gematria, the suggesting Phi Ratio Relationship of the 3 Domes are a Mathematical Construct. Many call this Mathematical and Geometric Relationship of the Phi Ratio 'The Signature of GOD'.

It is seen in all Living Things, Plants, and Hurricanes to Galaxies or Patterns of Growth. One has a Theory that Prophecy is Subject to this Universal Law as well. You have the Human Body also in the Golden Mean Proportions. It is used in Architecture and Art as well. According to the Book of Hebrews, the Author's Main Emphases is that Jesus Christ is the Real and True Essence of the Types YHVH used to Instruct and Teach Israel about who and what YHVH was, is and will be. Such Parallels of the Types included the Passover Lamb, the High Priest, the Temple itself, Moses, etc.

What many Bible Scholars have also alluded to, is that the Ark of the Covenant is such a 'Type and Shadow' of the Work and Ministry of Jesus Christ. In essence, the Ark of the Covenant is a Personification of Christ in the following ways described in Scripture. Each Article within the Ark of the Covenant depicts a Prophetic Dimension of the Ministry of Jesus Christ. It is also the Facsimile of the 'Throne Chair' in Heaven. The following are the Synopsis of the various Articles based on Scripture.

Although the exact and correct Location of the prior Temples of Solomon and Zechariah (Herod's) are in General Dispute, those that seek the New World Order and those 'Builders' that seek to build a Temple to their coming 'Prince', the Luciferians know exactly where the 3rd Temple is to be built. No amount of Muslim Protest either, will prevent 'Time' and Sacred Geometry from fulfilling the Prophetic Time-Clock of the Temple Mount. The 3rd Temple will be built according to how some interpret the Books of Daniel and Revelation. With or without Islamic Protest, there is a current Dilemma over the Temple Mount. As noted, Israel has had Total Sovereignty over the entire Temple Mount since the 1967 6-Day War. But Moshe Dayan relinquished 'Administration' over the site back to the Jerusalem Waqf وقف .

Messiah - Jesus a Type of the Ark

It only has deferred legitimacy given by the Prime Minister of Israel in consort with the King of Jordan. Perhaps at a coming Historic Juncture, that might be tied to an Astronomical Alignment, Blood Moon, Total Solar Eclipse or War, the corresponding Covenant might be 'Confirmed' that in essence will be the realization of the Oslo Accords, which by the way stipulates a 7-Year Treaty.

1) Tablets = Law (DEATH)

'Do not think that I have come to Abolish the Law or the Prophets; I have not come to Abolish them but to Fulfill them.'
-Matthew 5:17

2) Manna = Bread (SUSTENANCE)

'I am the Bread of Life; whoever comes to Me shall not Hunger, and whoever Believes in Me shall never Thirst.' -John 6:35

3) Staff from an Almond Tree = Resurrection (LIFE)

'I am the Resurrection, and the Life: he that believeth in Me, though he were Dead, yet shall he Live' ... - John 11:25

This coming New Status Quo, would allow the Prime Minister of Israel to exercise his Sovereign Right to permit the building of the 3rd Temple. Realize that if Benjamin Netanyahu, who has been the longest serving Prime Minister in the Modern History of Israel is to be at the Table when the 'Confirming' of the Covenant is taken-up, he is a Mason. And? He would fit the required Luciferian Protocols, that it has to be a 'Builder', those of the Secret Cabal of Hiram Abiff that is to construct the Temple.

This is reminiscent of Nimrod who is considered the 1st Mason that constructed the Tower of Babel in an attempt to Unify the whole World, against YHVH though. It is much like the U.N. This is not to insinuate that Netanyahu is steeped in Luciferianism but that as a Player, at the AntiChrist Table, he will play, perhaps one of the most Prophetic Arrangements in Human History. Netanyahu may or may not be aware of this possible Prophetic Role that perhaps YHVH has called him to be used in such a way.

Realize that this 'Covenant' to be 'Confirmed' will be initiated by the coming False AntiChrist Messiah It will be after the Rapture that closes-out the Church Age. Israel will then accept this Usurper, because of the very reason he will Authorize the building of the 3rd Temple and the start of the Daily Sacrifices. However, this Covenant that will promise Israel 'Peace and Security' is a Covenant with 'Death' as Isaiah puts it into proper Prophetic Perspective.

This issue of the 3rd Temple will come to the forefront of the Treaty as part of the conditions for establishing a False Sense of Security for Israel from that point forward. Perhaps this Confirming of the Covenant will be as a result of a Major Regional War that will settle the Issue and Contention over the Temple Mount amongst the 'Many', the Muslims, Israel, the U.N., EU, etc. Only a few believe that the Psalm 83 War Confederation of Muslim Inner-Ring of Nations will force a United Strike to 'Wipe Israel off the Map'. This Muslim War however will fail, as Israel will come on Top.

Threshing of the Bride

It could then Stipulate perhaps the Unconditional Surrender and Administration of the Temple Mount out of the Hands of the Jerusalem Waqf. This Mutual Agreement that is a Piece in the Oslo Accords could thus pave the way for the 3rd Temple to be part of the Bargaining Chips and a Condition for such a Mutual Political Recognition.

Some believe that the Cost will very well be the Division of the Biblical land of Israel as the Ancient Ancestral Lands of Judea and Samaria would be lost in Compensation to provide for a State of Palestine. Although this Political Scenario could happen, it is unlikely if Israel is to be the Victor in the Outcome of the potential Prophetic Psalm 83 War. Israel would have no Obligation or Commitment nor will Accommodate a hostile Palestinian State.

Worse for the Muslims is that those that seek a Muslim State of Palestine, to Replace Israel, is that if the 'Confirming of the Covenant' is to take place, it would End and Crush the notion of there ever being a possible State of Palestine. It would also End the Muslim Administration of the Temple Mount, to make way for the 3rd Temple. So. if the Dome of the Tablets (Spirits) is the True Location of the Holy of Holies, will soon give the Geo-Political Conditions that well afford this Time and Place to erect the 3rd Temple.

This theory of the Holy of Holies being at the Dome of the Tablets (Spirits) is just one of many 'Alternate' Theories of the Temple being somewhere else than where it has always been. Some argue that the Temple will be in Shiloh or over the Dome of the Rock, etc. Others speculate that it is even South of the al-Aqsa Mosque in the City of David. All these Alternative Theories will be proven incorrect.

In 1 Chronicles 22, it was King David that bought the Threshing Floor of Araunah the Jebusite. It was at the highest Elevation where the Winds would Winnow the Grains. It was over the Dome of the Tablets that was above the City of David on Mount Moriah where the Temple Mount Platform is now.

It was at that Place and Time that the Plague was stayed-off for David having counted the Fighting Men of Israel. It was an Explicit Command by YHWH not to do so. The Bible clearly states that it was Lucifer that enticed King David to Number his Men. It was there at that Threshing Floor that YHWH instructed David to Build an Altar. This Place is thus suggested to be the Dome of the Tablets.

It is a Befitting Picture of David breaking the 'Law' and where the future Ark of the Covenant would be resting to Atone or Cover it up by the Blood of Lambs whose Blood was Sprinkled on the Mercy Seat, etc. It is interesting that the Tabernacle of Moses is mentioned in that it was at Gibeon and then in Shiloh. From that Time, David instructed that the Tent of Moses be brought to Jerusalem and placed directly over this Altar, this threshing floor of Araunah. As King David built his Palace down in what is now the City of David, made out of Marble and Cedar, he would perhaps wake-up every Morning and see YHWH's House as a mere Mobile Tent.

It entered into David's Heart to likewise Construct a Fixed House. However, because he was a Man of War, the Temple, being a Place of Peace, he could not construct according to YHVH. So, he prepared all the Materials and later on Instructed Solomon to build the 1st Temple over it. David's rationale was that it was a place where YHVH demonstrated His Mercy and spared Jerusalem from David's Judgment. It was at that Place and at the Time where YHVH answered David's Prayer to stop the Plague.

The Temple to YHVH was to be a 'House of Prayer for All Nations' as YHVH specified in Isaiah 56:7 and where YHVH met with His Nation, Israel and the World in general. The Temple Site was perhaps the very Door to Paradise that was Lost. It was a 'Star Gate' directly connected to YHVH's Throne in Heaven. Houses of Worship were erected on the highest facets of a City or Nation in the Ancient World. For Israel, it was on Mount Moriah, not the City of David at a much lower Elevation that would be susceptible to Invasion.

Also consider that during Christ's Time, there was a Bridge that spanned the Kidron Valley to the Mount of Olives. It is also interesting that the Threshing Floor was used to Separate the Kernels for the Wheat Harvest. This could be alluding to a Time or Season of Pentecost in that Prophetically, YHVH would be Building a similar 'Spiritual Temple', made-up of the New Creation in Christ Jesus, a direct descendent of King David himself. Thus Jesus could be seen as the Prophetic King Solomon, Son of David, the Father that is about to finish His Bride, etc. Spiritually Speaking, now the Bride of Christ is that 'Heavenly Temple', corporately made-up of individual 'Living Stones', or Believers that are being Arranged by a Risen Christ and built up as a 'Spiritual House'.

The Bible declares that Jesus Himself has been building-up the Body of Christ, the Bride that in the End of Time will Majestically be 'coming down as the New Jerusalem' even. With such a Metaphor to consider, perhaps then if and when the 3rd Temple goes up, at this same Time Frame, it is also because the 'Spiritual House' is Complete. The Bride will be taken as Prepared 'Sheaves' into the real Temple of YHVH in Heaven as a result of the Prophetic 'Threshing' of the Wheat that has gone over nearly 2000 Years in the making.

According to the Conventional Definition of Threshing, it is the following. 'Threshing is the Process of Loosening the Edible part of Cereal Grain from the Scaly, Inedible Chaff that surrounds it. It is the Step in Grain Preparation after 1) Harvesting. 2) Threshing does not remove the bran from the grain. 3) Winnowing is what Separates the Loosened Chaff from the Grain.

1. Harvesting / Redemption

- A 'Cutting' away from the World, a Separation.

2. Threshing / Sanctification

- A 'Beating' to loosen from World, the Kernel from the Chaff.

3. Winnowing / Glorification

- The Ultimate Separation done in the Air, i.e., the Rapture.

Threshing may be done by Beating the Grain using a Flail on a Threshing Floor. A High Place such as Mount Moriah would have been a Perfect Place to have the Winds be ideal for Threshing Purposes. This cannot be said of the City of David. What is being mistaken are the original Royal Court Foundations to be that of the Temple. Nonetheless, the Rapture of the Bride of Christ will be that 'Winnowing' as the Wheat is thrown-up into the Air and the Chaff is blown away.

Due to Persecution and Tribulations over the Centuries since Pentecost in 32 AD, the 'Threshing' of the Church Age has also accompanied the Sorrowful History of the Church. Yet 1 day, the Bride's current State of 'Tribulation' and Humiliation will End when the Corporate Winnowing will take place, i.e., the Rapture. It will be a time when the Saints are 'thrown' into the Air to Rendezvous with Jesus as He separates the Old Corruptible Body of Sin like the Chaff and one gets a New Body with Indestructible Life and Incorruptibility.

At that time, the Bride of Christ will be ushered into the 'Barn' or Temple of YHVH in the Heavenly Jerusalem. The following is a very Simplified Notion of this Prophetic Restoration Process of a Believer in the Messiah, Christ Jesus that Parallels the Restoration of Israel. Many believe that this coming 'Winnowing' or Rapture of the Bride of Christ will take place during a corresponding Feast of YHVH. Many attribute the Rapture to occur on Rosh HaShanah because of the Trumpet Shout and that 'No Man Knows the Day or the Hour'...but this is not a Rapture Verse. It is in the context of Jesus' 2nd Coming.

These studies hold to the Argument that Rosh HaShanah is more of a likelihood of when Jesus shall Return to Earth. Also the blasts at Rosh HaShanah are not of the Silver Trumpets, but that of the Shofars. The only 'Feast' of the 7 that the Church is directly and only Associated with and the Silver Trumpets is Pentecost. Many Bible Scholars reason that the current Dispensation of the Church Age is the 'Pentecostal Intermission' and it is associated with the Wheat Harvest.

Presently, Christ Jesus is Grafting-In the Wild Olive Branches of Gentile Believers into the Stock and 'Trunk' of Israel, the 'Vine', the 'Fig Tree', Prophetically Speaking. What is Prophetic about this Typology is that since 1948, the 'Start-Up Nation' that Israel has become, was said of Jesus, that it would be that Generation that would see His 2nd Coming. This is a Typology of a start and finish Bracketed 'Menorah' Pattern.

The Church Age has been the Intermission between the 1st 3 Prophetic Feast of YHVH in the Spring and the last 3 Prophetic Feasts of YHVH in the Fall. These Feasts or Moedim speak of a particular Facet of Christ Jesus' Work of Redemption, and were, and will be utterly fulfilled, literally by Jesus Christ Himself. What was interesting to consider though is that the 1st Blood Moons of the Tetrads series of 1949-50, 1967-68, 2014-2015 took place near the Star Spica in Virgo.

Spica means 'Wheat' and is thus associated with a Summer Harvest. Regardless, these are Exciting Times as the World grows Darker and Evil, may the Bride of Christ within the Church be found ready for the coming Prophetic Corporate 'Winnowing in the Air', i.e., the Rapture in preparation for the coming Transformation, as will the Temple Mount with the Transformation of the Reconstituted 3rd Temple.
