Next Steps for Your New Construction Business

Dear Valued Customer,

Congratulations on your construction company. Forming a corporation is just the first step. Here are a few important next steps to consider to protect your assets, establish a professional operation and to help your construction business be in compliance with state and federal laws, including:

DBA

Needed for corporations and LLCs if a different name's used than what's filed

Business License Package

Get the licenses required to operate in your state

Business Credit Card

Bank easier, maintain a corporate veil

Initial Report

Some states require one when the company's formed

State Tax ID

Most states require registering for one

Website & Business Cards

Get customers to connect with you
