There was discussion about the Internship Program. Mr. Carter wanted to know where we are in the process. The Town Manager has made contact with the individual who submitted an application and the professor at UMFK. The Professor will need to determine if this student is right for the Internship Position. The Town Manager has spoken to Colin about filming at each department to create video clips for the Town Website. The Town Manager has spoken with the President of the Chamber Board regarding the Intern working at the Chamber office to create the Welcome to Madawaska Brochures and to help the new Executive Director. Selectperson Carter stated it would be nice to have the person selected for the Internship Program to attend the April 21st meeting of the Board.

Motion by Chad, second by Brenda to send a letter to Gail Beaupre, President of the Chamber Board about sharing the Intern and the Chamber providing an office space.

It was the consensus of the Board to hold a Special Town Meeting on Monday, April 6, 2015 for the purpose of accepting the gym equipment and the prepayment of fees from NMMC. The Board will have a brief Selectperson's meeting at 6:00 p.m. on the same day to address any time sensitive issues.

The Town Manager presented a request from IBM for an extension to file the companies tax reporting. The Manager reminded the Board of their current policy to not allow extensions unless there is a serious reason that caused the delay. In the past requests have been denied to both the mill and to Ed Pelletier and Sons.

Motion by Dave, second by Brenda to deny the extension request submitted by IBM.
