ALAN'S ARTICULATIONS

Ford Mustang: Born To Run, Second To None

Hello Mustangers!

April is here and so is spring. Is it really spring? Maybe it should be called SPINTER! But we can still use the moisture. We get to not use the water for the lawn and use it on our cars! Oh yea!

Speaking of that, make sure you get those ponies polished up for the Anniversary/Birthday Show at Phil Long on the 19th. That is this coming Saturday! We will meet at the Red Nolan parking lot on the north end of Motor City at 9:00 a.m. We will have a short meeting and line up to proceed to Phil Long at 10:00 a.m. We will have parking figured out due to construction and someone will guide and park you accordingly. Lunch should be ready around Noon and then we will get everyone together for our monthly meeting, in the conference room, around 1:00 p.m. or so. From what I have seen, the weather is supposed to cooperate. If not, then we will make the best of it.

Hopefully you have taken advantage of the nice days that we have had recently to get the ponies out and groom them a bit and check them over. Don't forget the oil changes, full of fuel, check the lights, tire pressures and all of your other fluids. Sitting around for months on end is just as hard on your hotrod as driving it and not maintaining it at all. I would hate to hear that someone broke down on the way to the show or on the way home. Been there, done that one! **HATED IT!!!**

Don't forget all of the cruises and shows that are coming up on us quickly and are already here. I look forward to seeing many of you out and about. Just a reminder, 31 May is the charity

show at the Connections 4 Life Center in Fountain at 10:00 a.m. I am looking for good participation to help the cause. We will also be needing help with parking and "registration" at this event. A late start and an early end time makes this an easy event. Come out and have a good time and help a worthy cause, feeding hungry people in our OWN community.

Until then...."Happy Birthday to you...."
