Automatic Draft - ACH Set-up Request Form

Frequently Asked Questions

How does the program work?

Once you sign up with ACH, we will automatically deduct your utility payment from your designated checking or savings account each month. We will send notification to your bank to transfer the exact draft amount from your utility statement, from your checking or savings account to us.

Why should I sign up for ACH debit?

Convenience, security, and peace of mind! You will no longer have to write a check each month for your utility payment – no checks, no stamps, no envelopes, and no trips to the mail box. You'll also have peace of mind knowing that your monthly payment was made automatically, on time, and through a secure method.

Does ACH cost anything?

There is no charge to setup or use our ACH service.

How can I begin this convenient service?

It's very simple. Just fill out the Automatic Draft - ACH Set-up Request Form and mail or bring it in to us. Please enclose a voided blank check or savings account deposit slip with the set-up request form. Write "void" across the face of your check or savings account deposit slip from a current account. The Automatic Draft - ACH Set-up Request Form and your voided check or savings account deposit slip will give us the accurate information we need to begin your ACH service. Please continue to make your monthly payments until your ACH Draft is set-up and active.

Can I cancel the ACH service?

The ACH draft may be canceled by contacting the Ironwood Township office and providing 72 business hours notice.

Can I set-up an ACH draft if I don't have checks?

If you do not have physical checks, you may enclose a letter, signed & dated, by your bank official stating you are the owner of the checking or savings account associated with both the routing and account numbers they provide.
