

Hi kids! My name is Brianna and I will be your coach for the fall session! I grew up here in Austin and am attending Austin Community College with a Psychology degree. I did gymnastics as a kid, and started teaching swim lessons at the YMCA about two years ago. I moved to Jump! Gymnastics in March and love it! I have a dog named Marvis and a cat named Boots (ask me about them!). My favorite color is purple, my favorite candies are sour punch kids and Hershey's chocolate, and my favorite animal is a cow. I can't wait to meet you and your parents!
