

Lab/Bloodwork Instructions

We are pleased to partner again with Quest Diagnostics to draw your blood for labs. We are working in partnership with the phlebotomist stationed at our fellow MDVIP partner, Huebner Family Medicine.

Although this will require a short trip down the road, having your labs drawn by the phlebotomist with Quest will ensure that your blood draw and the processing of your labs goes as smoothly as possible.

Please see the address below and call us if you experience any problems.

9480 Huebner Road, Suite 100, San Antonio, TX 78240

From our office: Take a right onto Huebner; location will be ½ mile down on the left.
