23-27 Week 1 Summer Program

Sunrise Montessori School programs follow a schedule which is similar, **but not identical** to the Franklin public school calendar. There are 165 school days observed during the 2024-2025 academic year (162 full days and 3 early release days).

Our school year is comprised of approximately 36 academic weeks:
September to December has approximately 15 academic weeks & January to June has approximately 21 academic weeks.

Sunrise Montessori School observes a two-week Winter Break, a one-week February Vacation Break and a one-week April Vacation Break.

On Professional Development Days, Parent/Teacher full day conferences, scheduled holidays, vacation breaks and snow days, school is not in session, and the Extended Day program is not available.

There are 3 early release days scheduled for the 2024-2025 school year – Thursday, December 5; Thursday, May 1 and the last day of school (currently June 10). On early release days all children are dismissed at 11:30am and there is no Extended Day Program available in the afternoon.

In the event that there are more than 3 snow days used during the academic year, the calendar will be revised, and additional days will be added to the school year in June. Previously scheduled Professional Development Days may also be used as snow make up days if necessary.

Keep this calendar as a reference. Check out the school's Facebook page at:

Also see the school's website at: www.MySunriseMontessori.com for important updates and news.

Summer Programs

The summer program provides fun, thematic and age-appropriate activities for children enrolled for the upcoming school year. Children must be 3 years old by June 1, 2024 to participate. Weekly themes and sign-up forms will be available in March 2024.

Health and Safety during the school year

Sunrise adheres to the health and safety requirements issued by the State of Massachusetts Department of Early Education & Care.

Please refer to the most up to date guidelines issued by the MA DEEC which address the policies and procedures that all group childcare programs, including Sunrise, must follow.

Sunrise Montessori School reserves the right to change special events planned during the school year due to inclement weather, or health and safety if required by the MA DEEC or local Franklin Board of Health.
