SEPTEMBER 2018

Welcome to ITS

Being in ITS is a great way to be involved in theater and we're looking forward to a fun and eventful year! You don't have to be an inducted member and you don't have to be involved in the current shows to attend meetings and be a part of this club; anyone is welcome! To help keep you informed about events, meetings, and volunteer opportunities, this newsletter will be emailed to you monthly, but can also be accessed on the Lake Central theater company's website (www.lakecentraltheatre.com).

Volunteer Opportunities:

Remember that it is required that you get at least 2 service hours from theater-related/community service events during the school year. Service hour forms can be found on the website along with guidelines to how you can volunteer. Some upcoming ways you can complete hours are listed below:

- Advanced Theater Improv Shows: Oct. 1st & 8th at 6:00pm

These improv shows are performed by the advanced theater classes. To earn hours, you can help sell tickets or concessions (check with students in class for available spots), or simply attend the show and be a good audience! Admission is \$3.

Important Dates:

A calendar with rehearsals and performances for the current shows can be found on the Lake Central Theater website.

October 9th: ITS Meeting

We will be discussing sponsorship runs, TOTs, and the regional conference. Additionally, you can stay and help prepare bags for TOTs food collection.

November 10th: ITS Regional Conference

Regionals is at Munster High School this year. Those involved in contest show must attend, but anyone can sign up to go.
