

Class of the Month: Wednesday 4:45

Student of the Month: Irish Quinlan

Video Taping Week is December 19-21

When we break down and review the recital dance (s), one adult per student may come in the studio to record.

Do not post any videos on the Internet. In between videotaping, adults can wait in the waiting room. This is different from Parent Observation Week where an adult will be in the studio and observe the entire class.

Parent Observation Week is February 13-15

This is an opportunity for parents to watch class and video tape. Do not post any videos on the Internet. Due to limited space this is for parents only. Please do not invite other guest. Thank you.

To keep the number of people in the waiting room at the same time down and to give us a chance to clean in between classes, please arrive at the studio for class no more than 5 minutes before class begins.
Thank you.
