

# Steve's Gourmet Confections

## A CHOCOLATE LOVERS DREAM!

### About Us

Steve's Gourmet Confections is a locally owned business that believes in customer service. We take pride in our customer service and the quality of the products that we provide. We might be your local "mom and pop" candy shop, but we definitely have what it takes to stand up to the competition.

We are primarily a wholesale business. Our products vary from a selection of milk and dark chocolate covered nuts, malt balls, espresso beans, pretzels, and fruits to our signature candy bars, assorted chocolates, and of course, our creamy caramels!

You can find our products in floral shops, convenience stores, and Supermarkets around the northern Indiana and southern Michigan area. But for your convenience, or if you aren't from this area, you can place orders through the Family Food Brokers web-site.
