

For Life Sciences/Medical Instruments such as:

- 24 Hour Stability & Temperature Profiling
- Autoclaves
- Balances / Scales
- Centrifuges
- Conductivity Meters
- Environmental Chambers
- Flow Gages / Meters
- Freezers / Refrigerators
- Fume Hoods
- Furnaces
- Hot Plates
- Incubators
- Infrared Thermometers
- Manometers
- Mass
- Microscopes
- pH Meters
- Pipettes
- Infusion Pump Tester
- ECG Monitor or graph Tester
- Electrical safety test for all Medical Equipment
- Pressure gages/transducers
- Process Control Systems
- RO Water Systems
- RTDs
- Spectrophotometers
- Tachometers
- Temperature Baths
- Temperature Controllers
- Temperature Mapping/Profiling
- Temp/RH Chart Recorders
- Temp/RH Monitoring Systems
- Thermocouples
- Thermometers
- Vacuum
- Viscometer
- Water baths
- Weights
- WFI Systems
- Defibrillator (Elect. Shock) Tester
- Patient Ventilator Tester
- Electrical Surgical Unit Tester
