UPCOMING MOVIE RELEASES

Be careful what you wish for. With their after school junk business, best friends Sonny and Sam hope to find treasure in other people's trash. But when cleaning out the old Stine house, they open a locked book that frees a supernatural nightmare – Slappy! Now, with the help of Sonny's sister Sarah, they're in a race against time to get the sinister dummy and all the creatures he's brought to life back into the pages before he unleashes total pandemonium! Editorial Review

England, 1959. Free-spirited widow Florence Green (Emily Mortimer, Mary Poppins Returns) follows her lifelong dream by opening a bookshop in a conservative coastal town. While bringing about a cultural awakening through works by Ray Bradbury and Vladimir Nabokov, she earns the polite but ruthless opposition of a local grand dame (Patricia Clarkson, Sharp Objects) and the support of a reclusive, book-loving widower (Bill Nighy, The Best Exotic Mari-gold Hotel). As Florence's obstacles amass, she reminds herself that a town without a bookshop is no town at all. Based on Penelope Fitzgerald's acclaimed novel, The Bookshop is an elegant rendering of personal resolve and the battle for the soul of a community. Editorial Review

UPCOMING ADULT FICTION

The First Conspiracy
By Brad Meltzer

In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself.

This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. Book Review
