*We connect families with community resources, provide educational experiences and build relationships that promote independence and resilience.*

## WHAT IS “CARING DADS CREATE” ?

Caring Dads Create is a program **FREE OF CHARGE** designed to accommodate Dads and their kids in age appropriate groups after eating pizza! Building cool birdhouses, making fishing poles, print making, carving, sculpting, painting and cartooning are just some of the projects.

Open studio time will also be available for Dads and their kids to explore a new material or new tools. The facilitator will work with the group individually as well as the whole class.

## WHEN AND WHERE ?

beginning

March 4, 2015

Includes pizza

Vermont Arts Exchange (VAE)

29 Sage Street

North Bennington.

For over 20 years VAE has served the community as a local arts organization teaching and presenting art. Its studios are outfitted with a clay studio, wood workshop and lots of supplies and good ideas. We are a short walk to Lake Paran for good weather outings and spring fishing to try out the new handmade rods. Vermont Arts Exchange is an accessible facility.
