

## THE COHEN GROUP GLOBAL LLC EUROPEAN UNION COOKIE POLICY

### Cookies and how we use them

This policy details how The Cohen Group Global LLC (“TCG”) uses cookies and cookie-like files and technologies on its websites, e.g. Local Shared Objects, also known as “Flash cookies”, web beacons etc. We refer to these generically as “cookies”. If you visit our websites and your browser settings accept cookies, we consider this as acceptance of our use of cookies.

### What are cookies and how do they work?

Cookies are small files that are sent to and stored in your computer by the websites you visit. Cookies are stored in your browser’s file directory. Next time you visit the site, your browser will read the cookie and relay the information back to the website or element that originally set the cookie. To learn more about these technologies and how they work, please see e.g. [allaboutcookies.org](http://allaboutcookies.org).

### Why does TCG use cookies?

At TCG domains, we use cookies to offer you a smoother experience. View your options for managing cookies in the next chapter. Our domains may also include elements that set cookies on behalf of a third party, e.g. a “Like”-button from Facebook or a “Tweet”-button from Twitter.

### Basic functions

These cookies are essential for running our web sites and are the key to providing you a seamless experience. You can navigate uninterrupted e.g. by remembering language and country choices you’ve made and by preserving authentication to secure parts of the domain. These cookies also remember products of interest when you are redirected to an Operator site for a possible purchase.

### Site improvement

These cookies enable us to improve our websites by looking at how they are used. We do analytical profiling to understand e.g. unique users reading a particular article (to know what is popular) or if a video file was viewed or abandoned half way through. We also look at where content is accessed so we know how to arrange our sites for optimal user experience. We count clicks on “Like” and “Tweet” plugins and what content from our sites was shared or referenced.

### Personalization

These cookies help make the content as personalized as possible, for example by showing you targeted banners and relevant recommendations. We examine what type of reference was used to reach our sites, e.g. an email campaign or a link from a referral site, so we can estimate the effectiveness of our promotions and advertising campaigns.

### Advertising

We use these cookies to dynamically serve TCG ads on both TCG and selected third party websites.

### How can I manage cookies?

You can review the options available to manage cookies in your browser. The browser can be used to manage cookies relating to basic functions, site improvement, personalization and advertising. Different browsers use different ways to disable cookies, but they are usually found under a Tools or Options menu. You can also consult the browser’s help menu. In addition to cookie management, browsers usually let you control files similar to cookies, for example Local Shared Objects, e.g. by enabling the browser’s privacy mode.

TCG uses third party vendor managed advertising cookies to promote its products in both TCG and non-TCG web sites. You may be able to opt-out from certain third party managed advertising cookies through third party cookie management sites, such as DoubleClick, Google Analytics , 24/7 Real Media, Network Advertising Initiative and Adobe Flash .

Disabling cookies may prevent you from using certain parts of TCG websites. If you delete your cookies from the browser, you may need to remember to re-install opt-out cookies.

How long do we keep the information?

It depends based on the type of cookies. Session cookies expire when you close the browser. Persistent cookies, including Local Shared Objects ("Flash cookies"), have typical expiration dates ranging from two months up to a couple of years.

What else should you know?

TCG may from time to time change this Policy. However, if this Policy is changed in a material, adverse way, TCG will post a notice advising of such change at the beginning of this Policy and on this site's home page. We recommend that you re-visit this Policy from time to time to learn of any such changes to this Policy.
