

Backyard Composting Gardening Presentation

**Featuring Virginia Lamb, Environmental
Educator from Rutgers Master Gardeners**

When: Tuesday, April 18th at 7:30 PM

**Where: Cranford Community Center
220 Walnut Ave, Cranford**

Please join us as we celebrate Earth Week with our guest speaker, Virginia Lamb and her presentation, "Backyard Composting."

The presentation will show easy ways to turn organic waste into rich compost. She will demonstrate composting of kitchen and garden materials, including what to compost and how to speed up the composting process.

The program is free and open to the public. No registration is required, but seating is available on a first-come, first-serve basis, so please arrive early!
