

HAMILTON-MADISON HOUSE ANNUAL REPORT

2022

2022: IN REVIEW

2022 was another productive and poignant year at HMH!

Given the relaxation of COVID restrictions, we were glad to more extensively offer in-person programs and it's been wonderful to again be in the presence of the thousands of children, youth, families and seniors who take part in our growing portfolio of programs. And it's been equally gratifying to be among our workforce of approximately 170 professionals, whose skill, dedication and empathy are at the very core of our enterprise.

Together in 2022, we exercised our determination to continually address local challenges and improve community conditions through creative new offerings. These came in the forms of: an initiative called CONNECT that combines community outreach and mental health care; a case management program for seniors; a variety of food-relief efforts; a Get Out The Vote Campaign; a youth-run farmers market; and an intergenerational project. Building upon these latter two efforts, for the spring of 2023 we're planning to launch an urban farm and garden to be tended jointly by youth and seniors.

Of course, contributions from our donors go far toward making such undertakings possible, and we were thrilled to gather with them at three in-person events in 2022 - the June Lee Chinatown Banquet, a Veteran's Day Gala and a golf outing. We express appreciation to all involved in HMH and we look forward to many vital collaborations over the year ahead.

YOUTH DEVELOPMENT

LAUNCHED AND GREW LIFT, A SEMINAL YOUTH DEVELOPMENT INITIATIVE

Conceived during the COVID lockdown and with consideration to the Black Lives Matter movement and anti-Asian incidents, LIFT (Local Initiative Fostering Togetherness) is designed to bring together local youth of differing racial and ethnic backgrounds and afford them the opportunity to discover common purpose through community service and dynamic projects. Among them was the development of the youth-run Two Bridges Farmers Market, bringing healthy and affordable fresh produce to residents of the Alfred E. Smith housing development and other neighborhood residents.

SUPPORTING HMH

This year, for the first time since 2019, we held a full slate of in-person fundraising events and it was thrilling to face the community once again.

In August, we organized a golf outing, a well-loved longtime annual event. In September, we held our 42nd Annual June Lee Chinatown Banquet at the local restaurant House of Joy. In that lovely setting, we were pleased to celebrate three stellar honorees, CeFaan Kim from ABC News, Luna Liu from MetroPlus Health, and Dr. Oh from Hamilton-Madison House's Korean Behavioral Clinic. We were pleased that noted news anchor Bill Ritter served as emcee and all enjoyed music and dancing performances from John Tsung and the Red Silk Dancers.

In November, we also had our 18th Annual Veteran's Day Gala at Capitale, at which representatives of a wide range of industries and celebrity guest Tracy Morgan came together in support of HMH. The funds gained from these events enable us to remain strong and nimble and it was heartwarming to be among so many supporters.
