Statistics show that almost no-one is excluded from having to deal in some form or another with the issue of Domestic Violence. The church is the gathering place for so many in today’s society and we believe that Faith Communities should be aware of how to respond appropriately to the issue of Domestic Violence.

Through a partnership with The Washington State (Office of Crime Victims Advocacy), The Life Development Resource Center’s Director of DV Services, Rev. David C. Isom, Senior Pastor, St. Stephen CME Church – Fairfield, CA, will be providing this Domestic Violence Awareness Workshop. He is a Doctoral Candidate at the San Francisco Theological Seminary (San Anselmo, CA).

Please feel free to contact Pastor David C. Isom directly by email at [davidcisom@thecmechurch.org](mailto:davidcisom@thecmechurch.org) or by phone at 253.241.1538 for additional information.
