We appreciate your support during the pandemic. Our post supports many local and area charities. Due to the pandemic, many charities are being depleted and many businesses, who are hurting themselves don't have the ability to support the charities at the level they have done in years past. Ely-Fagan-Stevens-Connor American Legion Post 1151 intends to donate more in 2020 than we did in 2019. It is what we do. Your patronage helps us meet our goals. Thank you!
