

Vietnam Veterans of America Chapter 800 Bergen County NJ

Request for Support: Chapter Dinner Dance Journal

Chapter 800 will be holding its Red, White and Blue Dance on Saturday, November 19, 2022. We will be limiting to number of tickets sold so get your tickets early. While we appreciate all our members and understand that it is hard for some to get to meetings or even to the dance, we are asking for your help in another way. The Journal we produced in the past was a success because of you and it helped us fund your scholarship committee. This year, we are trying again so we can continue to award scholarships to the youths of our future while keeping our history alive through them.

Chapter 800 has done quite a bit in the years since it was chartered. Some of the important issues that we still need funding for in the Chapter besides the day to day expenses are: we visit Lyons PTSD Ward once a month bringing food and camaraderie to the old and new Veterans there; once a month we go to East Orange to play bingo and give out coffee, cake and winnings to the Veterans that are unable to leave the building at the present time; we visit Tomorrows Children at Hackensack Hospital, every July - yes Santa puts on his very warm suit - to bring toys to the children that everyone forgets until it is the Holiday season again. Unfortunately, due to COVID we have not been able to physically go to the hospitals or Tomorrows Children, but we still support them. We support the Vietnam Veterans Memorial in Holmdel and participate in many parades to show our Colors and to have people remember we are still around. We give out scholarships every year to relatives of our members in good standing. We do a lot with a few. For more information on YOUR Chapter visit our web site www.vvachapter800.com or come visit on the third Monday of every month, starting at 7 p.m. except July and August, at 100 Main Street (VFW 809), Little Ferry NJ. We would love to see you.
