Thank you for your membership in the All Terrain Vehicle Association of Minnesota (ATVAM). Membership is an important part of ATVAM's ability to defend ATV use and access in Minnesota and champion responsible use of our public lands. Simply put, **membership is power!** It is our lifeblood and with a growing membership base ATVAM will continue to be the state leader for our recreation!

That is why your membership is so important. I know that it's easy to put this sort of thing off until the last minute. Let me strongly encourage you to resist that impulse and ask that you make your ATVAM membership a **top priority**.

Several well organized groups are hard at work to limit or eliminate ATV riding across the state. All ATVer's need to join together to show Legislators and DNR we are a strong cohesive organization.

ATVAM as a grass roots organization and its local ATV clubs have been integral in opening and broadening trails for ATV riders in Minnesota. There are more trails to be designated and we need your support to succeed!
