Intake Form

Due to the complexity of the medical insurance industry, it is important that we know whether you have an existing doctor. These physicians are often referred to as your PCP Primary Care Provider. For many insurance plans, he or she is the only provider who can approve of you receiving non-emergency care for things such as office visits, X-rays, lab tests, cardiac stress tests, colonoscopy, and referrals to specialists, etc. If we see you for non-emergency care and order such things without PCP approval, you would then be billed personally for the costs. By signing this statement, you acknowledge this responsibility. Your signature also indicates that you have no other PCP.
