In the Catholic Church, those ages 18 - 59 must fast on Ash Wednesday and Good Friday (Canon 97). On such days, those fasting may eat one full meal, as well as two smaller meals, sufficient to maintain strength. However, together, the smaller meals should not equal a full meal. Eating between meals is not encouraged, but liquids are allowed. It is important to understand that the Church excuses certain people from these obligations. Examples include those who are frail, pregnant or manual laborers. The Church understands that certain people are not able to commit to the Lenten fast. The time of Lent, through fasting and abstaining, may be an important reminder of what it means to suffer. This small suffering should not be met with misery but with great joy as we better understand the incredible sacrifice that Jesus Christ made for humanity.</p>
