President's Message:

Good day to Everyone!

Thank you to all that attended and supported the 2021 National Specialty at Purina Farms. We had a fabulous time and congratulations to all of the winners. The show results and judges' critiques are included in this issue.

The board has started to work on the 2022 National to be held at Purina Farms in September 2022. A flyer also included in this issue of the PIP. Same location with a few minor changes. The Top twenty event will be held at the host hotel in the meeting room where the banquet is held rather than at Purina Farms. It will be tight but better than the conflict we had to deal with this year. It will just be us PPP folks and no other clubs. I hope everyone is happy with this decision.

On to 2023, will see us in Wilmington OH at the Royal Canin Center. Another great location!

Great News - As of the November issue of the AKC Gazette our application for membership has been officially received and posted for all to see!

Reminder that you are welcome to apply to hold a designated specialty at an all-breed club in your area. Contact any one on the board members if you have any questions and thank you for supporting and promoting our wonderful little breed. Applications for Supported entries can be found on the members only page of the club website.

Please stay informed by reading the board minutes each month. It is the best way to find out what is happening with the club. Thank you for your time and as always, we appreciate your input.

Respectfully Submitted,

Susan Souza
President PPPA

Dear Members –

Your time is a precious gift to us!

HELP WANTED!!

The PPPA Board is requesting your assistance with several volunteer committee positions. It is important to note that experience is NOT necessary. We would be happy to mentor you!

The list of committees are as follows:

- **Judges Education:** Mentors and Presenters Needed... please see guidelines outlined in the standing rules posted on the members only page of the website. Reports to committee chairs: Jean Evanoff.
- **Top Twenty: Chairperson.** Responsible for the following: Get annual breed statistics from AKC to determine the eligible dogs to be invited to the Top Twenty. Edit and mail annual top twenty invitations to club members, collect entries (forward to treasurer), update the Top Twenty program, and get to print before the event. Find and contract the 3 judges required for the event. (see guidelines on the members only page of the website) Committee chair coordinates music for individual exhibitors. Coordinates raffle items for the Top Twenty event to offset costs associated with the event. Keeps a detailed budget and communicates directly with the treasurer. Interim committee chair: Susan Souza. Other members of the committee include Stacy Faw, Shawn Brown and Jenna Orvos.

If you would like to volunteer, please contact the committee chair directly or the PPPA Board. We look forward to hearing from you. Together we can take this club to the next level!

Judges Critique – Therese Worful

First thank you for having me judge, it was an honor.

Even since last year's specialty week, I've seen a great improvement into lines. Type and style were consistent. Movement, as a whole, still need work, especially fronts and shoulders. Which IS the hardest thing to correct in any breed. My bests, if they keep measuring the way they looked in my ring will have great careers.

All in all, I think we are going in the right direction.
Terry Worful

Judges Critique - Dr Andrea Bradford

It was my honor and privilege to judge the 2021 National Specialty for the Portuguese Podengo Pequenos. The setting of the show at Purina Farms allowed for dogs to come from many parts of the country and it was a wonderful group of dogs to judge. Breeders and exhibitors should be proud of the quality of the dogs exhibited and deserve congratulations on the positive progress the Pequenos have continued to make since the introduction of the breed to AKC conformation competition. I was very happy to see smooths and wires both well represented in the entry.

Overall, heads were strong throughout the entry, with good four-sided pyramid shapes and the very slightly divergent head planes. Eyes were very lively and reflective of the lovely temperaments, with color largely in accordance with the coat. To my eye, size was not a problem in any of the exhibits, and most were fairly close to 20 percent longer than tall. Tail sets, length, carriage, and shape were generally good.

Coats were quite variable in both varieties. Some of the more sparse coats on the wires were on the soft side, without the crisp, harsh quality called for in the Standard. Many of the wires appeared to have been somewhat over-groomed, although there was no apparent scissoring or sculpting. Smooths also had a several textures to the coats, including some that, while not silky, were not as dense as expected. I did not note any dogs that had undercoat.

Toplines are much improved throughout the wires, with many dogs exhibiting the level topline called for standing and moving, with a long, slightly sprung ribcage supporting a strong topline with a muscular short loin. There are more topline in the smooths that are solid when

stacked, but do not maintain a level profile when moving. The croups vary from the accepted medium width, straight or very slightly sloping to large and very rounded or sloping.

The Standard calls for moderate angulation front and rear, moderate forechest, and long well-muscled forearms and upper and lower thighs. The gait is described as light, easy and agile. Balance between the front and rear angulation and length of limbs is what makes this gait possible. Those balanced dogs within the breed (and I did see quite a few) should be treasured. As with many breeds, there are a number of challenges with straight shoulders, straight upper arms, short upper arms with moderate angulation, short and straight upper arms, and the occasional straight stifles. With good moderate angulation in the rear and less in the front, there are a variety of methods the dogs must use to get the front out of the way of the rear, which does interfere in the ease and agility of the movement.

Temperament was largely appropriate for the Pequeno, although there were a few dogs that were exhibiting signs of shyness, which were faulted in my examination of the entry. One of the most helpful things I was ever taught was that in judging, consideration of type comes first, then temperament appropriate to the breed, then all the other stuff that is described in the Standard. Depending on the breed and Standard, structure and proportion is an essential part of type, but placing temperament appropriate to the breed second only to that is very important in most breeds.

It was such a pleasure to see the baby puppies and veterans! The young dogs make clear the progress in the breed and the veterans were just wonderful examples of some of the great dogs that have made contributions to the Pequeno over the years.

At the end, my decisions in the breed became very difficult. The Best of Breed, Best of Opposite, and Select winners were very close in quality, and the Award of Merit winners were all also very worthy dogs. The Best of Breed dog had wonderful type, balance, temperament, structure and movement, all together very pleasing to the eye on the day of the National, and it was my pleasure to award him, as well as all the dogs who received awards. The entire entry was truly a pleasure to see!!

Top Twenty Judges' Comments:

Thank you for opportunity to judge the 2021 top 20. I had a wonderful time watching and putting my hands on some beautiful examples of the breed. Loved the consistency in both rough and smooths!

Elizabeth Edgerton

Judging the PPPA Top 20 was so much fun, and it was exciting to see all the wonderful dogs in the ring. It was an honor, and I am thankful for the opportunity to see all the dogs "up close and personal".

As a breeder judge and someone who has watched these dogs for months or years on Facebook or in person, I must say it was fun to put my hands on the dogs, so I could verify the things I have seen from afar. This was, of course, a lovely group of dogs and we should be so proud how far our depth of quality has come, in the last 10 years. The dogs were happy and had wonderful temperaments and showed as if they truly loved what they were doing.

The first impressions were interesting, and I was quite surprised we ended up with TIE between a wire and a smooth. Both dogs were lovely and very typey to the breed. Both showed well and were deserving of their top scores. It would have been a well-deserved win for either dog, but the wire came in with a bit more "pizazz" for me. Our smooth dogs are really improving in overall quality. I am enjoying watching the strides they are making in the show ring.

My immediate concern for the breed would be size. Many of our dogs are pushing the top of the Standard. We do not want to go over that and I would encourage breeders to look for the moderate dog. We do not want to go the way of so many breeds and have dogs that are always at the top of the Standard or even over the Standard. I must also encourage owners to not show a groomed to the point of sculpted dog. Most of the exhibits were beautifully groomed. Not over done, but not "messy". We, as a Club, should continue to encourage judges to NOT use an obviously sculpted exhibit.

I do love this breed. It is a fun and silly breed, and they love to do so many things. You, whether you are a breeder, exhibitor, handler, or an owner, should be proud of your dogs. They looked amazing, showed beautifully, and handled a chaotic room with the solid temperament we strive for. Thank you, again, for this opportunity. I would hope everyone could get an opportunity to have their hands on so many quality dogs, at one time.
