## WORSHIP and PRAYER

### Everyday Stewardship: Training for the Race

If you were going to run a race, wouldn't you need to train? Our life in Christ is a race of sorts. It is not a race that starts and stops again and again but one that continues from our baptism until eternal life with him (hopefully). Even though we never stop the race, we do have moments where we need to hydrate, take nourishment, and gain strength. That's what we do at the Mass and in our parish community. It is in our parish where we find what we need to keep running that race.

The problem is that too many assume we only are running the race when we are involved with the parish. Living out our discipleship in stewardship is not only to be done in the Church. In fact, what we do in the Church is to prepare us for what we are called to do during all the times we are not at Church. We encounter Christ in his Church so that we may bring him into a world that needs him. In community, we train and take nourishment so that we have any chance of running the race every day. Don't let your stewardship stop at the church doors. Outside those doors, the race is on!

From the Pastor:

This is Stewardship Card Follow-up Weekend at all Weekend Masses.

Again, a heartfelt thank you to those parishioners who have returned their Stewardship Commitment Forms over the last two weeks. For those parish members who have not, please place in the collection basket, drop off or mail them to the parish office. Additional forms are also available in the vestibule and parish office and can be found on the Parish Website.

Families and households that have not yet returned a Stewardship Form will receive a reminder letter and Form in the mail this coming week. Follow up phone calls are planned. It is very important that every family and household return a Form.
