

OFFA INDIAN RELIC SHOW

2016 Old Fashioned Farmers have expanded their summer show by adding some new programs this year. One is an Indian Artifacts Exhibit and we would like to invite you to participate in the program, which will be held on Saturday July 2 from 10 a.m. – 7 p.m.

Participants will have the opportunity to show some of their collection and give the visitors a new knowledge of Indian artifacts found in our surrounding areas. Artifacts have been found in the fields of Van Wert County and surrounding counties, which would be of interest to many local residents.

A \$10.00 deposit is required to reserve your table(s), along with this application to join us for the day. (Deposit will be returned at the end of the exhibit) If you wish to offer some products to sell or trade during the show, there will be a \$25.00 setup fee. If application is received by June 19th you will be given a 3 day pass for the show.
